Dear Council Members:

The Iowa State Fair again requests permission for a temporary easement for head-in parking along the north side of Dean Avenue from East 31st Street to East 34th Street during the 2007 Iowa State Fair.

Since we have purchased the properties fronting Dean Avenue from East 31st Street to East 30th Street, we would like to have permission to temporarily fence to the sidewalk along these 2 blocks and place "No Parking" signs where the sidewalk exists.

Again this year, we would request that the area east of East 34th Street (Gate 7) be posted with "No Parking" signs to prevent parking from that point on. This has worked out very well the last several years. Prior to that, vehicles have attempted to park in this area and have had difficulty leaving the area due to the grade of the land. Also, we would request the Grand Avenue entry to the Fairgrounds both north to University and south to Walnut Street be posted "No Parking" to prevent motorcycles from parking in these areas.

The easement requested has worked very well in the past and has been a great benefit to the Fair visitor. To our knowledge it has presented no known problems. The temporary easement is needed from Monday, August 6, through Sunday, August 19.

If you have any questions concerning this request, please contact my office. We appreciate your consideration and cooperation in granting this request.

Sincerely,

Gary D. Slater
CEO/Manager
