Subject: RE: March 2 Urban Design Review Board Meeting

Rita- I have good news and bad news...the good news is Jeff and I found a house we love and our offer was accepted over the weekend. The bad news is that it's in Urbandale. It's a perfect home for us but not a perfect location...I love Beaverdale and wish it was located there. ☺

Anyway, I need to let Brian Clark know as I am the nominee for Vice-Chair. I am way over my term limits, but I understand that its "ok" until someone steps up to fill my place. I'm happy to continue on the board if you find that its "ok" to do so but live outside of the City limits. We probably won't sell our home in DSM until late April or May so I suppose we have until then to figure it out. I'm pretty sure living outside of DSM won't be ok, but I'm open to whatever you need me to do.

Thanks!
