

Date..... April 26, 2010.....

WHEREAS, on April 12, 2010 by Roll Call No. 10-508, it was duly resolved by the City Council that the application of Broadway Storage, L.C. to rezone certain property located in the vicinity of 4448 and 4518 East 50<sup>th</sup> Street, more fully described below, be set down for hearing on April 26, 2010, at 5:00 P.M., in the Council Chambers at City Hall; and,

WHEREAS, due notice of said hearing was published in the Des Moines Register on April 15, 2010, as provided by law, setting forth the time and place for hearing on said proposed amendment to the Zoning Ordinance; and,

WHEREAS, in accordance with said notice those interested in said proposed rezoning, both for and against, have been given opportunity to be heard with respect thereto and have presented their views to the City Council; and,

WHEREAS, the Legal Department has prepared an amendment to the Zoning Ordinance of the City of Des Moines to rezone the following described property:

Lots 2, 3 & 4, Broadway Business Park Plat 2, AN OFFICIAL PLAT all now included in and forming a part of the City of Des Moines, IN POLK COUNTY, IOWA.

from the A-1 Agricultural District to Limited M-1 Light Industrial District classification, subject to the following conditions which are agreed to and accepted by execution of an Acceptance of Rezoning Ordinance in writing by all owners of said property and is binding upon the owners and their successors, heirs and assigns as follows:

- A. The following uses of structures and land shall be prohibited upon the Property:
  - a. Residential dwellings, duplexes, town homes, apartments, group homes, institutional residential facilities, mobile homes, or any other residential facility of any kind, except that hotels and motels who rent to transient guests are permitted;
  - b. Farms, except growing crops on any land that has not been improved;
  - c. Asphalt or concrete mixing or production facilities;
  - d. Refining, smelting or mining operations, including, but not limited to gravel extraction, or drilling for or extraction of subsurface substances;
  - e. Electrical, or gas generating facilities, except for use primarily on the premises where the same is generated;
  - f. Cemeteries;
  - g. Adult entertainment businesses;
  - h. Arcades or game rooms as a substantial portion of a business;
  - i. Taverns and nightclubs;
  - j. Animal rendering or slaughter facility;

  - v. Financial institutions where the majority of revenue is derived from lending guaranteed by collateral of future payroll or vehicle titles.
- B. The following standards shall apply to any building hereafter constructed for mini-warehouse use:
- 1. All storage unit building walls facing external to the site shall consist of a stone, masonry, or brick exterior material, or other durable material as approved by the Community Development Director.
  - 2. No storage access doors shall be oriented toward a public street or any adjoining residential development.
  - 3. No storage access doors shall be on the south façades of either the easternmost or westernmost mini-warehouse buildings.
  - 4. Any additional fencing along East 50<sup>th</sup> Street shall be wrought iron to match that along the Broadway Avenue frontage road.
- C. Outside storage on the premises shall be prohibited.
- D. Provision of down-lit shielded lighting to avoid shining obtrusively onto adjoining properties.

Date April 26, 2010

- E. Sidewalks shall be installed within East 50<sup>th</sup> Street right-of-way along both the existing mini-warehouse site and the expansion site prior to the issuance of a Certificate of Occupancy for any building hereafter constructed.
- F. All facades on the exterior wall of any building facing a public street must be comprised of no less than 20% in windows, doors, or masonry materials such as brick, cut stone, or decorative pre-cast concrete units, unless unique in architectural design and such design is approved by the Community Development Director to be consistent with the overall development and design of Broadway Business Park.
- G. All overhead doors and loading docks on any principal or accessory building shall not face East 50<sup>th</sup> Street or East Broadway Avenue, unless determined by the Community Development Director to be adequately screened and designed in such a manner that the overall development and design of Broadway Business Park is not compromised.

NOW THEREFORE, BE IT RESOLVED, by the City Council of the City of Des Moines, Iowa that upon due consideration of the facts, statements of interested persons and arguments of counsel, the objections to the proposed rezoning of the Property to a Limited M-1 Light Industrial District are hereby overruled, and the hearing is closed.

MOVED by \_\_\_\_\_ to adopt and approve the rezoning, subject to final passage of the rezoning ordinance.

#### **STAFF REPORT**

##### **I. GENERAL INFORMATION**

1. **Purpose of Request:** The applicant is seeking to rezone the site to allow the existing miniwarehouse complex at 4518 East 50<sup>th</sup> Street to expand onto the vacant parcel adjoining to the south at 4448 East 50<sup>th</sup> Street. The submitted conceptual layout shows 7 rows of storage buildings with 2 buildings in each row. The buildings would all be approximately 100 feet long with widths varying between 30 feet and 50 feet. Future construction would be subject to administrative review of a Site Plan by the City's Permit & Development Center. Construction of any miniwarehouse structure that is over 150 feet in length or that is closer than 10 feet from another building would require approval by the Zoning Board of Adjustment.
2. **Size of Site:** 9.66 acres.
3. **Existing Zoning (site):** "A-1" Agricultural District.
4. **Existing Land Use (site):** The site contains an existing miniwarehouse complex at 4518 East 50<sup>th</sup> Street and a vacant parcel at 4448 East 50<sup>th</sup> Street.

## 5. Adjacent Land Use and Zoning:

**North** - "A-1", Uses are commercial uses along Broadway Avenue, including the Archer Motel.

**South** – "Limited M-1", Use is an undeveloped lot within the Broadway Business Park.

**East** – "Limited M-1", Uses are undeveloped lots within the Broadway Business Park and a warehouse for Warren Frozen Foods.

**West** – "A-1" and "Summersfield PUD", Uses include the former Homemakers Furniture building and vacant land for a future phase for the Summerfield single-family residential subdivision.

6. **General Neighborhood/Area Land Uses:** The subject properties are within the Broadway Business Park on the south side of Broadway Avenue west of the Highway 65 bypass.
7. **Applicable Recognized Neighborhood(s):** N/A.
8. **Relevant Zoning History:** Prior to annexation to the City of Des Moines on June 26, 2009, the site was zoned "LB" Light Business District (Polk County). The existing miniwarehouse buildings at 4518 East 50<sup>th</sup> Street are a legal non-conforming use in the "A-1" Agricultural District.
9. **2020 Community Character Land Use Plan Designation:** Low-Density Residential and Commercial: Auto-Oriented, Small-Scale Strip Development.
10. **Applicable Regulations:** The Commission reviews all proposals to amend zoning boundaries or regulations within the City of Des Moines. Such amendments must be in conformance with the comprehensive plan for the City and designed to meet the criteria in 414.3 of the Iowa Code. The Commission may make recommendations to the City Council on conditions to be made in addition to the existing regulations so long as the subject property owner agrees to them in writing. The recommendation of the Commission will be forwarded to the City Council.

## II. ADDITIONAL APPLICABLE INFORMATION

1. **Miniwarehouse Requirements:** The rezoning would allow the existing miniwarehouse complex to expand onto the vacant parcel adjacent to the south (4448 East 50<sup>th</sup> Street). The submitted conceptual layout shows seven rows of storage buildings, with the overhead doors generally facing east and west. The buildings would all be approximately 100 feet long with widths varying between 30 feet and 50 feet. Construction of any miniwarehouse structure that is over 150 feet in length or that is closer than 10 feet from another building would require approval by the Zoning Board of Adjustment since the Zoning Ordinance requires miniwarehouse buildings to be no greater than 150 feet in length and to be at least 10 feet from any other structure.

2. **Urban Design:** Staff believes that the visual appearance of miniwarehouse projects is important to the surrounding neighborhood. The functional nature of the structures and their need to be arranged for easy access can become plain and repetitive, making them less attractive to their context. Staff believes that no storage access doors should be oriented toward a public street or any adjoining residential development. The submitted sketch satisfies this criterion. However, it does demonstrate that some of the buildings would have small storage units with doors on the south façade facing the adjoining undeveloped property. Staff recommends prohibition of garage doors on the south façade of either the easternmost (closest to East 50<sup>th</sup> Street) or the westernmost (closest to the residential development) miniwarehouse buildings.

Staff recommends that all walls facing external to the site should be of a durable material and have an appearance of stone, masonry, or brick material. The applicant has proposed using a fiber cement board material that appears to be brick or stone. Staff has requested the applicant submit a sample for further review. Since staff has not yet been able to review the material, staff recommends the zoning condition that all storage unit building walls facing external to the site shall consist of a stone, masonry, or brick exterior material or other durable material as approved by the Community Development Director.

The existing miniwarehouse facility is surrounded by a 6-foot tall black metal fence. The portion of the fence along Broadway Avenue is constructed of wrought iron while the balance is vinyl clad chain link. Staff recommends that any additional fencing along East 50<sup>th</sup> Street shall be wrought iron to match that along the Broadway Avenue frontage road.

3. **Landscaping & Buffering:** Any construction on the site is subject to administrative approval of a Site Plan by the City's Permit & Development Center. The Site Plan must be in compliance with the Des Moines Landscape Standards, including provision of perimeter planting and at least 20% open space.
4. **Natural Site Features:** The subject properties are within a business park that has been prepared for development. The vacant parcel has a stable ground cover to prevent erosion. The Summerfield single-family residential PUD to the west has a 40-foot wide conservation easement along its eastern border shared with the Broadway Business Park that contains several trees and vegetation.
5. **Drainage/Grading:** The applicant is required to demonstrate compliance with the City's stormwater management requirements to the satisfaction of the Permit & Development Center. All grading is subject to an approved grading permit and soil erosion control plan. The submitted conceptual sketch shows a storm water detention area located in the western portion of the site.
6. **Traffic/Street System:** The business park development was not required to have public sidewalks when the subdivision plat was approved by Polk County. However, the recorded declaration of covenants requires that all owners install a 6-foot wide sidewalk in accordance with the City of Des Moines standards (in this case the City has adopted SUDAS) within three months after being annexed into the City of Des Moines. Therefore, staff recommends the rezoning be conditional upon sidewalks being installed within East 50<sup>th</sup> Street right-of-way along both the existing miniwarehouse site and the expansion site prior to the issuance of a Certificate of

Occupancy for any building hereafter constructed.

The existing miniwarehouse facility is accessed by a drive approach from the Broadway Avenue frontage road to the north and East 50<sup>th</sup> Street to the east. The submitted site sketch indicates the expansion area would be accessed by one additional drive approach from East 50<sup>th</sup> Street, as well an internal drive from the existing site.

7. **Proposed Land Uses:** When the subdivision plat was approved by Polk County, restrictive covenants were placed on the properties that prohibit the following uses:
1. Residential dwellings, duplexes, town homes, apartments, group homes, institutional residential facilities, mobile homes, or any other residential facility of any kind, except that hotels and motels who rent to transient guests are permitted;
  2. Farms, except growing crops on any land that has not been improved;
  3. Asphalt or concrete mixing or production facilities;
  4. Refining, smelting or mining operations, including, but not limited to gravel extraction, or drilling for or extraction of subsurface substances;
  5. Electrical, or gas generating facilities, except for use primarily on the premises where the same is generated;
  6. Cemeteries;
  7. Adult entertainment businesses;
  8. Arcades or game rooms as a substantial portion of a business;
  9. Taverns and nightclubs;
  10. Animal rendering or slaughter facility;
  11. Off-premises advertising signage;
  12. Sanitary sewer treatment facility (other than for waste material generated on the premises) or solid waste disposal facility;
  13. Jail, prison, or any other correctional facility of any kind;
  14. Any public or private nuisance or illegal activity;
  15. Any use that presents an undue hazard of pollution, fire or explosion, including, but not limited to, the manufacture, storage, display or sale of explosives or fireworks;
  16. Any use that creates hazardous or otherwise unreasonable levels of smoke, noise, vibrations, dust, pollutants, refuse, water borne waste, fumes, odors or other emissions; provided, that what level is "unreasonable" shall be determined with consideration given to the fact that the Property is dedicated for use as a retail commercial and light industrial area.
  17. Temporary structures of any kind other than during construction for construction purposes, unless determined by the Community Development Director to be adequately screened and designed in such a manner that the overall development and design of Broadway Business Park is not compromised.
  18. Pole buildings, unless determined by the Community Development Director to be adequately screened and designed in such a manner that the overall development and design of Broadway Business Park is not compromised.

In addition, staff recommends the following uses also be prohibited:

1. Package goods store for the sale of alcoholic beverages;

2. Vehicle display lots, including but not limited to used car sales lot;
3. Pawn brokerages; and,
4. Financial institutions where the majority of revenue is derived from lending guaranteed by collateral of future payroll or vehicle titles.

Staff believes that these use restrictions keep the subject properties within the spirit and intent of a Planned Business Park as defined by the Des Moines' 2020 Community Character Plan.

8. **2020 Community Character Plan:** The parcel at 4518 East 50<sup>th</sup> Street that contains the existing miniwarehouse use is within an area designated as Commercial: Auto-Oriented Small-Scale Strip Development in the Des Moines' 2020 Community Character Plan and the undeveloped parcel at 4448 East 50<sup>th</sup> Street is within an area designated as Low-Density Residential. The applicant has requested the designations for these parcels be amended to Planned Business Park since they are within a business park. Although typically a General Industrial land use designation is appropriate to allow a rezoning to "M-1", staff believes the Planned Business Park designation is appropriate in this instance given the zoning limitations recommended by staff regarding permitted uses and physical design standards.

On June 15, 2006, the Plan & Zoning Commission recommended approval of amending the Des Moines' 2020 Community Character Plan future land use designation for most of the parcels within the Broadway Business Park to Planned Business Park in order to rezone those parcels to "Limited M-1" Light Industrial District. While the Council approved the rezoning of these parcels on July 24, 2006, the amendment to the Des Moines' 2020 Community Character Plan was inadvertently never considered by City Council for approval. Therefore, the City Council will also consider the previously proposed amendment when considering the currently proposed amendment.

## STAFF RECOMMENDATION TO THE P&Z COMMISSION

Part A) Staff recommends that the Commission find the requested rezoning not in conformance with the existing Des Moines' 2020 Community Character Plan future land use designations of Low-Density Residential and Commercial: Auto-Oriented Small-Scale Strip Development.

Part B) Staff recommends approval of the requested amendment to the Des Moines' 2020 Community Character Plan future land use designation from Low-Density Residential and Commercial: Auto-Oriented Small-Scale Strip Development to Planned Business Park.

Part C) Staff recommends approval of the requested rezoning to "Limited M-1" Light Industrial District subject to the applicant agreeing to the following conditions:

- A. The following uses of structures and land shall be prohibited upon the Property:
  - a. Residential dwellings, duplexes, town homes, apartments, group homes, institutional residential facilities, mobile homes, or any other residential facility of any kind, except that hotels and motels who rent to transient guests are permitted;
  - b. Farms, except growing crops on any land that has not been improved;

- c. Asphalt or concrete mixing or production facilities;
  - d. Refining, smelting or mining operations, including, but not limited to gravel extraction, or drilling for or extraction of subsurface substances;
  - e. Electrical, or gas generating facilities, except for use primarily on the premises where the same is generated;

  - 2. No storage access doors shall be oriented toward a public street or any adjoining residential development.
  - 3. No storage access doors shall be on the south façades of either the easternmost or westernmost mini-warehouse buildings.
  - 4. Any additional fencing along East 50<sup>th</sup> Street shall be wrought iron to match that along the Broadway Avenue frontage road.

- C. Outside storage on the premises shall be prohibited.
- D. Provision of down-lit shielded lighting to avoid shining obtrusively onto adjoining properties.
- E. Sidewalks shall be installed within East 50<sup>th</sup> Street right-of-way along both the existing mini-warehouse site and the expansion site prior to the issuance of a Certificate of Occupancy for any building hereafter constructed.
- F. All facades on the exterior wall of any building facing a public street must be comprised of no less than 20% in windows, doors, or masonry materials such as brick, cut stone, or decorative pre-cast concrete units, unless unique in architectural design and such design is approved by the Community Development Director to be consistent with the overall development and design of Broadway Business Park.
- G. All overhead doors and loading docks on any principal or accessory building shall not face East 50<sup>th</sup> Street or East Broadway Avenue, unless determined by the Community Development Director to be adequately screened and designed in such a manner that the overall development and design of Broadway Business Park is not compromised.

Motion passed 12-0.

Soft storage is a good use of the land.  
It will increase the tax base without causing  
crime or additional use of city resources.  
It will also generate additional sales tax revenue  
for the schools. SUBMITTED FOR APPROVAL
