Notes:
 This map represents the Proposed Skywalk System in conceptual form indicating the general location of the Skywalk Bridges and Skywalk Connectors. The concept grants inherent rights to those properties immediately from the location of the System. Therefore, any major changes must demonstrate how those original building properties will be connected. None of the lines shown on this map should be interpreted as indicating the Skywalk System will be over an alley.
 The exact location of the Skywalk Bridges and Skywalk Connectors will be shown, as appropriate, on a companion map entitled "Detailed Skywalk Map."
