Members of Des Moines City Council

This is an update of the public art project to help mark the birthplace of the City of Des Moines. We have raised \$27,000 of the \$34,000 required to complete this project. We have other grant applications that have been submitted and are under review.

As you know, Sam Bernabe, General Manager of the Iowa Cubs, has agreed to oversee installation of the artwork and provide routine maintenance for this project once the tile has been installed. Installation of the artwork will be done in September after the Iowa Cubs season has been completed. The art design is being transferred to tile by Creative Edge of Fairfield. It will take about five days for them to install the tiles. Our goal is to have the artwork installed prior to September 15. Please contact me if you need further information.
