**hereby request permission to speak at the Des Moines City Council meeting of**  
May 19, 2008 , **regarding**

A possible city composting problem to be coupled with the currently recycling program. We have worked out an outline of many possible ideas for the operation of this program and have also found many opportunities for the use of the organic waste collected from the composting program. We are very excited to share these ideas with the city council and hope you will allow us the opportunity to do so. Our outline contains: 1. The benefits of composting organic materials 2. Possible organization of the program and methods for collecting waste 3. Opportunities for use of the organic waste collected We are eager to hear back and share our ideas with the council.
