Honorable Mayor
And
Members, Des Moines City Council

It is with much sincerity and excitement that we write to you regarding the new KFMG
LP radio station in Des Moines, IA. 99.1 FM

Our mission as a music commission is to promote the development of live music
performances, the music industry and musicians within the city and to provide an opportunity
for input from the live music industry, musicians, and the public for ideas in support of live
music.

It is our belief that radio plays a key component in the success of a live music scene,
especially a radio station that is committed to informing and promoting its community.

A radio station is an expensive endeavor and it is difficult for a low power station to
compete and survive in this highly competitive world of huge commercial conglomerates.
We believe KFMG LP is a great addition to our community and hope that you also
support its growth and expansion by contributing monetarily to its success.

Sincerely,

Jason Walsmith, Chairman
Tom Zmolek., Vice Chairman
