The terms of redemption shall be par, plus accrued interest to date of call.

Thirty days' notice of redemption shall be given by certified mail to the registered owner of the Bond. Failure to give such notice by mail to any registered owner of the Bonds or any defect therein shall not affect the validity of any proceedings for the redemption of the Bonds. All Bonds or portions thereof called for redemption will cease to bear interest after the specified redemption date, provided funds for their redemption are on deposit at the place of payment.

Section 7. Issuance of Bonds in Book-Entry Form; Replacement Bonds.

(a) Notwithstanding the other provisions of this Resolution regarding registration, ownership, transfer, payment and exchange of the Bonds, unless the Issuer determines to permit the exchange of Depository Bonds for Bonds in the Authorized Denominations, the Bonds shall be issued as Depository Bonds in denominations of the entire principal amount of each maturity of Bonds (or, if a portion of said principal amount is prepaid, said principal amount less the prepaid amount); and such Depository Bonds shall be registered in the name of Cede & Co., as nominee of DTC. Payment of semi-annual interest for any Depository Bond shall be made by wire transfer or New York Clearing House or equivalent next day funds to the account of Cede & Co. on the interest payment date for the Bonds at the address indicated in or pursuant to the Representation Letter.

46B

.....  
Date June 18, 2007  
.....

(b) With respect to Depository Bonds, neither the Issuer nor the Paying Agent shall have any responsibility or obligation to any Participant or to any Beneficial Owner. Without limiting the immediately preceding sentence, neither the Issuer nor the Paying Agent shall have any responsibility or obligation with respect to (i) the accuracy of the records of DTC or its nominee or of any Participant with respect to any ownership interest in the Bonds, (ii) the delivery to any Participant, any Beneficial Owner or any other person, other than DTC or its nominee, of any notice with respect to the Bonds, (iii) the payment to any Participant, any Beneficial Owner or any other person, other than DTC or its nominee, of any amount with respect to the principal of, premium, if any, or interest on the Bonds, or (iv) the failure of DTC to provide any information or notification on behalf of any Participant or Beneficial Owner.

The Issuer and the Paying Agent may treat DTC or its nominee as, and deem DTC or its nominee to be, the absolute owner of each Bond for the purpose of payment of the principal of, premium, if any, and interest on such Bond, for the purpose of all other matters with respect to such Bond, for the purpose of registering transfers with respect to such Bonds, and for all other purposes whatsoever (except for the giving of certain Bondholder consents, in accordance with the practices and procedures of DTC as may be applicable thereto). The Paying Agent shall pay all principal of, premium, if any, and interest on the Bonds only to or upon the order of the Bondholders as shown on the Registration Books, and all such payments shall be valid and effective to fully satisfy and discharge the Issuer's obligations with respect to the principal of, premium, if any, and interest on the Bonds to the extent so paid. Notwithstanding the provisions of this Resolution to the contrary (including without limitation those provisions relating to the surrender of Bonds, registration thereof, and issuance in Authorized Denominations), as long as the Bonds are Depository Bonds, full effect shall be given to the Representation Letter and the procedures and practices of DTC thereunder, and the Paying Agent shall comply therewith.

(c) Upon (i) a determination by the Issuer that DTC is no longer able to carry out its functions or is otherwise determined unsatisfactory, or (ii) a determination by DTC that the Bonds are no longer eligible for its depository services or (iii) a determination by the Paying Agent that DTC has resigned or discontinued its services for the Bonds, the Issuer shall (A) designate a satisfactory substitute depository as set forth below or, if a satisfactory substitute is not found, (B) provide for the exchange of Depository Bonds for replacement Bonds in Authorized Denominations.

A6B

.....  
Date June 18, 2007  
.....

(d) If the Issuer determines to provide for the exchange of Depository Bonds for Bonds in Authorized Denominations, the Issuer shall so notify the Paying Agent and shall provide the Registrar with a supply of executed unauthenticated Bonds to be so exchanged. The Registrar shall thereupon notify the owners of the Bonds and provide for such exchange, and to the extent that the Beneficial Owners are designated as the transferee by the owners, the Bonds will be delivered in appropriate form, content and Authorized Denominations to the Beneficial Owners, as their interests appear.

(e) Any substitute depository shall be designated in writing by the Issuer to the Paying Agent. Any such substitute depository shall be a qualified and registered "clearing agency" as provided in Section 17A of the Securities Exchange Act of 1934, as amended. The substitute depository shall provide for (i) immobilization of the Depository Bonds, (ii) registration and transfer of interests in Depository Bonds by book entries made on records of the depository or its nominee and (iii) payment of principal of, premium, if any, and interest on the Bonds in accordance with and as such interests may appear with respect to such book entries.

Section 8. Registration of Bonds; Appointment of Registrar; Transfer; Ownership; Delivery; and Cancellation.

(a) Registration. The ownership of Bonds may be transferred only by the making of an entry upon the books kept for the registration and transfer of ownership of the Bonds, and in no other way. The City Treasurer is hereby appointed as Bond Registrar under the terms of this Resolution. Registrar shall maintain the books of the Issuer for the registration of ownership of the Bonds for the payment of principal of and interest on the Bonds as provided in this Resolution. All Bonds shall be negotiable as provided in Article 8 of the Uniform Commercial Code and Section 384.31 of the Code of Iowa, subject to the provisions for registration and transfer contained in the Bonds and in this Resolution.

(b) Transfer. The ownership of any Bond may be transferred only upon the Registration Books kept for the registration and transfer of Bonds and only upon surrender thereof at the office of the Registrar together with an assignment duly executed by the holder or his duly authorized attorney in fact in such form as shall be satisfactory to the Registrar, along with the address and social security number or federal employer identification number of such transferee (or, if

A6B

Date June 18, 2007

registration is to be made in the name of multiple individuals, of all such transferees). In the event that the address of the registered owner of a Bond (other than a registered owner which is the nominee of the broker or dealer in question) is that of a broker or dealer, there must be disclosed on the Registration Books the information pertaining to the registered owner required above. Upon the transfer of any such Bond, a new fully registered Bond, of any denomination or denominations permitted by this Resolution in aggregate principal amount equal to the unmatured and unredeemed principal amount of such transferred fully registered Bond, and bearing interest at the same rate and maturing on the same date or dates shall be delivered by the Registrar.

(c) Registration of Transferred Bonds. In all cases of the transfer of the Bonds, the Registrar shall register, at the earliest practicable time, on the Registration Books, the Bonds, in accordance with the provisions of this Resolution.

(d) Ownership. As to any Bond, the person in whose name the ownership of the same shall be registered on the Registration Books of the Registrar shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of or on account of the principal of any such Bonds and the premium, if any, and interest thereon shall be made only to or upon the order of the registered owner thereof or his legal representative. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond, including the interest thereon, to the extent of the sum or sums so paid.

(e) Cancellation. All Bonds which have been redeemed shall not be reissued but shall be cancelled by the Registrar. All Bonds which are cancelled by the Registrar shall be destroyed and a certificate of the destruction thereof shall be furnished promptly to the Issuer; provided that if the Issuer shall so direct, the Registrar shall forward the cancelled Bonds to the Issuer.

(f) Non-Presentation of Bonds. In the event any payment check representing payment of principal of or interest on the Bonds is returned to the Paying Agent or if any bond is not presented for payment of principal at the maturity or redemption date, if funds sufficient to pay such principal of or interest on Bonds shall have been made available to the Paying Agent for the benefit of the owner thereof, all liability of the Issuer to the owner thereof for such interest or

A6B

Date June 18, 2007

payment of such Bonds shall forthwith cease, terminate and be completely discharged, and thereupon it shall be the duty of the Paying Agent to hold such funds, without liability for interest thereon, for the benefit of the owner of such Bonds who shall thereafter be restricted exclusively to such funds for any claim of whatever nature on his part under this Resolution or on, or with respect to, such interest or Bonds. The Paying Agent's obligation to hold such funds shall continue for a period equal to two years and six months following the date on which such interest or principal became due, whether at maturity, or at the date fixed for redemption thereof, or otherwise, at which time the Paying Agent, shall surrender any remaining funds so held to the Issuer, whereupon any claim under this Resolution by the Owners of such interest or Bonds of whatever nature shall be made upon the Issuer.

(g) Registration and Transfer Fees. The Registrar may furnish to each owner, at the Issuer's expense, one bond for each annual maturity. The Registrar shall furnish additional bonds in lesser denominations (but not less than the minimum denomination) to an owner who so requests.

Section 9. Reissuance of Mutilated, Destroyed, Stolen or Lost Bonds. In case any outstanding Bond shall become mutilated or be destroyed, stolen or lost, the Issuer shall at the request of Registrar authenticate and deliver a new Bond of like tenor and amount as the Bond so mutilated, destroyed, stolen or lost, in exchange and substitution for such mutilated Bond to Registrar, upon surrender of such mutilated Bond, or in lieu of and substitution for the Bond destroyed, stolen or lost, upon filing with the Registrar evidence satisfactory to the Registrar and Issuer that such Bond has been destroyed, stolen or lost and proof of ownership thereof, and upon furnishing the Registrar and Issuer with satisfactory indemnity and complying with such other reasonable regulations as the Issuer or its agent may prescribe and paying such expenses as the Issuer may incur in connection therewith.

Section 10. Record Date. Payments of principal and interest, otherwise than upon full redemption, made in respect of any Bond, shall be made to the registered holder thereof or to their designated agent as the same appear on the books of the Registrar on the 15th day of the month preceding the payment date. All such payments shall fully discharge the obligations of the Issuer in respect of such Bonds to the extent of the payments so made. Payment of principal shall only be made upon surrender of the Bond to the Paying Agent.

Section 14. Contract Between Issuer and Purchaser. This Resolution constitutes a contract between said City and the purchaser of the Bonds.

Date June 18, 2007

Section 15. Non-Arbitrage Covenants. The Issuer reasonably expects and covenants that no use will be made of the proceeds from the issuance and sale of the Bonds issued hereunder which will cause any of the Bonds to be classified as arbitrage bonds within the meaning of Sections 148(a) and (b) of the Internal Revenue Code of the United States, as amended, and that throughout the term of the Bonds it will comply with the requirements of statutes and regulations issued thereunder.

To the best knowledge and belief of the Issuer, there are no facts or circumstances that would materially change the foregoing statements or the conclusion that it is not expected that the proceeds of the Bonds will be used in a manner that would cause the Bonds to be arbitrage bonds. Without limiting the generality of the foregoing, the Issuer hereby agrees to comply with the provisions of the Tax Exemption Certificate and the provisions of the Tax Exemption Certificate are hereby incorporated by reference as part of this Resolution. The Treasurer is hereby directed to make and insert all calculations and determinations necessary to complete the Tax Exemption Certificate in all respects and to execute and deliver the Tax Exemption Certificate at issuance of the Bonds to certify as to the reasonable expectations and covenants of the Issuer at that date.

Section 16. Additional Covenants, Representations and Warranties of the Issuer. The Issuer certifies and covenants with the purchasers and holders of the Bonds from time to time outstanding that the Issuer through its officers, (a) will make such further specific covenants, representations and assurances as may be necessary or advisable; (b) comply with all representations, covenants and assurances contained in the Tax Exemption Certificate, which Tax Exemption Certificate shall constitute a part of the contract between the Issuer and the owners of the Bonds; (c) consult with bond counsel (as defined in the Tax Exemption Certificate); (d) pay to the United States, as necessary, such sums of money representing required rebates of excess arbitrage profits relating to the Bonds; (e) file such forms, statements and supporting documents as may be required and in a timely manner; and (f) if deemed necessary or advisable by its officers, to employ and pay fiscal agents, financial advisors, attorneys and other persons to assist the Issuer in such compliance.

Section 17. Amendment of Resolution to Maintain Tax Exemption. This Resolution may be amended without the consent of any owner of the Bonds if, in the opinion of bond counsel, such amendment is necessary to maintain tax exemption with respect to the Bonds under applicable Federal law or regulations.

Section 18. Continuing Disclosure. The Issuer hereby covenants and agrees that it will comply with and carry out all of the provisions of the Continuing Disclosure Certificate, and the provisions of the Continuing Disclosure Certificate are hereby incorporated by reference as part of this Resolution and made a part hereof. Notwithstanding any other provision of this Resolution, failure of the Issuer to comply with the Continuing Disclosure Certificate shall not be considered an event of default under this Resolution; however, any holder of the Bonds or Beneficial Owner may take such actions as may be necessary and appropriate, including seeking specific performance by court order, to cause the Issuer to comply with its obligations under the Continuing Disclosure Certificate. For purposes of this section, "Beneficial Owner" means any person which (a) has the power, directly or indirectly, to vote or consent with respect to, or to dispose of ownership of, any Bond (including persons holding Bonds through nominees, depositories or other intermediaries), or (b) is treated as the owner of any Bonds for federal income tax purposes.

Section 19. Severability Clause. If any section, paragraph, clause or provision of this Resolution be held invalid, such invalidity shall not affect any of the remaining provisions hereof, and this Resolution shall become effective immediately upon its passage and approval.

Section 20. Repeal of Conflicting Resolutions or Ordinances. That all ordinances and resolutions and parts of ordinances and resolutions in conflict herewith are hereby repealed.

RE: \$18,415,000 General Obligation Bonds, Series 2007B  
\$15,045,000 General Obligation Bonds, Series 2007C (Urban Renewal)

Dear Mr. McKinley:

With this letter I am enclosing suggested Roll Calls for action by the City Council at its meeting on June 18, 2007, authorizing the issuance of the above two series of Bonds in accordance with the terms of sale approved by the City Council. The various blank spaces included in the form of Bond approved in the Roll Calls need not be completed, since various amounts and dates will be inserted in the individual Bonds. *The Roll Calls must be approved by an affirmative vote equal to a majority of the full Council membership.*

The forms of Tax Exemption Certificate for the Series 2007B Bonds and Series 2007C Bonds and the forms of Continuing Disclosure Certificate for each of the two series are approved in these Roll Calls. Preliminary copies of these Certificates are enclosed for your review. Final execution copies of these items will be provided to you under separate cover, along with the other closing certificates and the original Bonds.

The Tax Exemption Certificate is an important document. (There are several blank spaces that will be filled in once the purchaser has certified to the issue prices and reoffering yields). The completed version will contain important information concerning the calculated yield on the Series 2007B Bonds and Series 2007C Bonds and will contain a number of covenants and obligations on the part of the City. In each case, the final form of this Certificate should be retained as a part of your permanent records. I will not attempt to summarize all of the matters which are included in this Certificate but I do want to point out some important ones.

Tax exemption is based in part upon the fact that the use of the facilities to be acquired by the City with the proceeds will be for the benefit of the public and will not be used in the private trade or business of any business or non-tax-exempt entity. The properties acquired with the proceeds of the Series 2007B Bonds and Series 2007C Bonds must not be sold or diverted to any private or nonpublic use unless the significance of that action is reviewed by bond counsel.

In addition, the Tax Exemption Certificates will set forth the best knowledge and belief which you have as of today concerning the timely expenditure of the proceeds of the Series 2007B Bonds and Series 2007C Bonds as you reasonably expect expenditures to occur. If for any reason you find you will be prevented from expending the proceeds fully within three years, that matter should be referred to us.

The Series 2007B Bonds and Series 2007C Bonds are being issued under the expectation that the City will be exempt from the requirement to rebate arbitrage earnings to the United States Government. The applicable "spend-down" rebate exemptions are described in Section 3.3 of this Certificate.

There are a number of other general promises and commitments by the City to take or refrain from action, which are necessary to maintain the tax exemption of these bonds. You should recognize that these promises and commitments are required of the City on an ongoing basis and that the possibility of some additional future action does exist.

The Continuing Disclosure Certificates are required under the 1995 amendments to SEC Rule 15c2-12, generally prohibiting the underwriting and recommendation to the public of municipal securities for which adequate secondary market information is not available. The applicable covenants and duties of the City to provide continuing

disclosure to the marketplace while each series of the Bonds are outstanding are outlined in the Continuing Disclosure Certificate for each Series of Bonds.

In each case, the Continuing Disclosure Certificate obligates the City to provide annual financial information and operating data to certain information repositories so long as the applicable series of Bonds is outstanding, and also to provide notice to those repositories if certain material events occur which could impact the ability to pay principal and interest on the Bonds. The information to be provided annually is for the most part the same sort of data which is included in the Comprehensive Annual Financial Report of the City. The eleven (11) material events which must be reported are detailed in the appropriate certificate, but the occurrence of other events which would be of concern to the rating agencies or bondholders also should be considered for disclosure under the anti-fraud provisions of the federal securities laws.

These disclosure requirements are ongoing and it will be important to designate an appropriate contact person who will have a primary responsibility for preparing and coordinating the filing of the annual financial information, operating data and any event notices.

The penalties for violation of the rule fall ultimately on the issuer of the bonds, because underwriters may be precluded from agreeing to underwrite or bid on bonds of issuers who have not complied with their disclosure obligations. Failure to comply therefore may result in fewer bids and ultimately no bids or the inability to secure an underwriter for an issue.

#### Closing Matters

As you know, the closing has been scheduled for June 28, 2007. The Bonds are being issued as "book-entry-only" securities, with one original Bond being prepared for each annual maturity, and registered in the nominee (CEDE & CO) of The Depository Trust Company.

As always, we would appreciate receiving certified copies of the enclosed Roll Calls for our transcript of the action taken once the Council has acted.
