It's with great regret but many fond memories that I've decided to resign from the Commission. Due to commitments at work and the amount of travel it has required, it has become harder and harder to make the meetings and commit the time required to be an active, participating member. However, if you ever need any help with your many activities, please feel free to call on me. Best of luck to all and please pass on how much I've enjoyed working with each and every member.
