Subject: Traffic Safety Committee

At the conclusion of the traffic safety committee meeting yesterday, the committee chair mentioned that there are vacancies on the committee – and volunteers are needed. I would be happy to serve on the committee.

Here's a little background: I've been a Des Moines resident most of my life. My first home was on 51st street, two houses from where I live today. I'm an attorney in the Iowa Attorney General's office, but worked as a Des Moines city planner between college (Grinnell) and law school (U. of I.). Although I have recently communicated with you as an advocate for Ingersoll Avenue bicycle lanes, you might be surprised to know that I am an even more avid "car guy" – and a runner (and walker), too. So I'd like to think I view traffic safety issues from about a half-dozen perspectives. My many years as a resident of Des Moines (and experience as a planner) also contribute to my general sense of traffic issues throughout the city. I believe I could be of assistance to the committee; please let me know if I may be of service.
