hereby request permission to speak at the Des Moines City Council
meeting of 11-19-07, regarding
homelessness in Des Moines,

I have been working with the homeless in the community
for two years. At a recent meeting of homeless people representing
three different camps along the river we discussed two questions. (1) What
immediate help do you need? (2) Where do you think the new shelter
for the homeless should be located? I would like to share their ideas with you.
