DSM Water Works – Monthly, water, waste and maintenance billing fees that have been assessed to 1318 7th St. This property hasn't had water service since 11/01/2004. No meter, and shut off at curb. At present, a lien for \$1,003.00 has been assessed against the property which is unfair, to the owner. Since the property taxes are less than half of the assessed water bill. A senior citizen on a fixed income and in poor health.

I request that this be abolished and future billings be discontinued. As least 3-4 x monthly.
