Speaker(s): Bill Dunlop or Mary Christopher Meeting Date: Monday, October 25, 2010  
Regarding: My vehicle was towed before 6AM after an "emergency no parking" sign was placed after I was in for the evening. Now I am asked to pay \$188 to the towing company and \$20 to the police for its release. Having not been given sufficient notice, I would like to have my vehicle released without charge. Additionally, the single sign was posted facing almost away from the street (which I have photos of), and at least 2 neighbors can attest that the sign was placed late at night.
