STAFF RECOMMENDATION TO THE P&Z COMMISSION

Staff recommends approval of the requested vacation subject to the following conditions:

1. Reservation of adequate Right-of-Way for both Martin Luther King, Jr. Parkway and Atkins Street, including the public sidewalks along both Martin Luther King, Jr. Parkway and Atkins Street.
2. Provision of easements for all existing utilities until such time that they are relocated.
3. Provision of one (1) street tree along Martin Luther King, Jr. Parkway for each dwelling unit constructed.

STAFF REPORT

I. GENERAL INFORMATION

1. **Purpose of Request:** The request would allow for development of the site for residential use. A conceptual site layout has been submitted by Hatch Development Group that demonstrates future division of the requested Right-of-Way as two (2) 25-foot wide parcels for single-family residential development. Such a scenario would require the Zoning Board of Adjustment to grant multiple zoning appeals, including a Variance of 35 feet less than the minimum required 60 feet of lot width. Staff would likely support amended appeals necessary to allow construction of two (2) single-family semi-detached dwelling units, which would allow for an increased future building setback along Atkins Street.
2. **Size of Site:** Up to 95 feet by 125 feet (11,875 square feet).
3. **Existing Zoning (site):** "R-3" Multiple-Family Residential District.
4. **Existing Land Use (site):** Undeveloped excess Right-of-Way.
5. **Adjacent Land Use and Zoning:**
 - North** – "R-3"; Use is Atkins Street Right-of-Way.
 - South** – "R-3"; Use is a single-family dwelling.
 - East** – "R-3"; Use is a single-family dwelling.
 - West** – "R1-60"; Use is Martin Luther King, Jr. Parkway Right-of-Way.
6. **General Neighborhood/Area Land Uses:** The subject Right-of-Way is located at the southeast corner of Martin Luther King, Jr. Parkway and Atkins Street in a predominantly low-density residential area.

7. **Applicable Recognized Neighborhood(s):** NA.
8. **Relevant Zoning History:** NA.
9. **2020 Community Character Land Use Plan Designation:** Low Density Residential.
10. **Applicable Regulations:** The Commission reviews all proposals to vacate land dedicated for a specific public purpose, such as for streets and parks, to determine whether the land is still needed for such purpose or may be released (vacated) for other use. The recommendation of the Commission is forwarded to the City Council.

II. ADDITIONAL APPLICABLE INFORMATION

1. **Utilities:** Easements must be provided for all existing utilities until such time they are relocated. MidAmerican Energy has indicated that there are utilities located in the Right-of-Way, including overhead electric poles, cable, gas main, and lighting.
2. **Street System/ Access:** The requested vacation of undeveloped right-of-way would not impact the surrounding street network so long as adequate Right-of-Way is retained for both Martin Luther King, Jr. Parkway and Atkins Street, including the public sidewalks along both Martin Luther King, Jr. Parkway and Atkins Street.
3. **Development Requirements:** Construction of any dwelling on the site shall be in conformance with all applicable building codes with issuance of all necessary permits by the City's Permit & Development Center.
4. **Landscaping:** Staff recommends that construction of any dwelling unit on the requested Right-of-Way be subject to provision of one (1) street tree along Martin Luther King, Jr. Parkway for each dwelling unit constructed.

SUMMARY OF DISCUSSION

There was no discussion.

CHAIRPERSON OPENED THE PUBLIC HEARING

There was no one to speak in support or opposition of applicant's request.

COMMISSION ACTION

Greg Jones moved staff recommendation to approve the requested vacation subject to the following conditions:

1. Reservation of adequate Right-of-Way for both Martin Luther King, Jr. Parkway and Atkins Street, including the public sidewalks along both Martin Luther King, Jr. Parkway and Atkins Street.
2. Provision of easements for all existing utilities until such time that they are relocated.

3. Provision of one (1) street tree along Martin Luther King, Jr. Parkway for each dwelling unit constructed.
