Skip-

Thank you for returning my call. As you know I am needing sidewalks put in for my safety. I am blind and in a wheelchair so safety is a real concern for me as I travel to use the DART bus system. Where I am located there are times that I need to travel to E. 29th to catch the bus or return home from the bus. I also have times when I need to go to my daughters school (Goodrell) which requires me to take E. 27 to Hull before I can reach a sidewalk. Both Sheridan and E. 27 are major thorough ways for traffic coming off of Hubbell and over the last year there have been some close calls. I use the bus quite frequently for appointments, class, and other things that I have to do as it is my main form of transportation. I appreciate your diligence in this matter and look forward to hearing back from you.

Sincerely,  
Kristin Auxier
