In Re: City Cab, LLC

Honorable Mayor and City Councilpersons:

Dear Sir/Madam:

We Somali community have been following carefully the hearings and the case of City Cab including the last public hearing in City Hall of Des Moines April 11 2011. It was sad and sorrowful what some City Cab former drivers did in the City Hall against company's LLC owners on above mentioned date.

After deep investigation and several attempts that Somali community leaders and its members tried to know the fact of City Cab former drivers accusations against the City Cab LLC owners, we found out that all the accusations were false accusation.

Fact finding mission assigned by the president of the community questioned both City Cab LLC owners and its former drivers to make sure the bone of the argument and the reality of the former City Cab drivers accusations to their employer to scale down the tension and solve the problem through community mediation.

In that effort the fact finding mission and the president of the community found out that former City Cab drivers particularly Mr Abdullahi Roble and Aweys Habib demanded from the City Cab LLC owners Mr. Shani Amin and Mohamed Ahmed to be share holders or partners of the company's LLC, but the owners disagreed the suggestion of those two drivers and tensions broke out.

In this case the Somali community president and the fact finding mission acknowledged the case is extortion and conflict of interest, to spread and accuse false information if the owners don't accept the demand of the above mentioned drivers.

I Abdalla S. Abdalla the president of the community and my community members proving that City Cab LLC owners are trustworthy and fit to be one of City's legal certified Cabs serving for Des Moines

SCA

people.

CONCLUSION.

Dear Sir/Madam: We are applying and requesting kindly from you a favour to City Cab in ground of their hard working and the service they are doing for both their community and Des Moines people.

Thanks

president of Somali Community
Abdalla S. Abdalla.
