	Agenda Item No. 44 Roll Call No. [11-1660] Communication No. 11-601 Submitted by: William G. Stowe, Assistant City Manager – Public Works Director

AGENDA HEADING:

Amending Chapter 114 of the Municipal Code regarding snow ordinance street designation and adding streets as designated snow ordinance streets

SYNOPSIS:

Recommend approval of Municipal Code section 114-236.015 changing the name of “snow priority streets to “snow ordinance streets” and adding streets to designated snow ordinance streets in section 114-4175, which would prohibit parking on residential streets in the following five neighborhoods anytime during snow plowing operations: Fairground, Oak Park, Sheridan Gardens, Waveland Park and Merle Hay.

The Department of Public Works has received written requests from these five City recognized neighborhoods requesting their streets be designated as snow ordinance streets with no parking during snow removal operations. Based on the success of the earlier “No Parking in Snow” PILOT Snow Removal Programs in selected neighborhoods and the 16 neighborhoods that began the program last year, as well as the availability of larger wing plows to clear residential streets, staff recommends approval.

FISCAL IMPACT:

Amount: \$17,640 for street signage

Funding Source: 2011/2012 Street Maintenance Division Operating Budget, SP360 PWK040400, page 277.

ADDITIONAL INFORMATION:

To evaluate the use of larger wing plows for faster snow removal on residential streets, the Department of Public Works, in 2008 and 2009, invited the Waterbury, Douglas Acres, and Meredith Neighborhood Associations to participate in a PILOT Snow Removal Program that would involve the use of wing plows and a “no parking” restriction. In 2010, 16 neighborhoods requested to have their streets designated as snow ordinance streets with mandatory no parking anytime during snow removal operations. With Council approval, these neighborhoods were plowed each storm following completion of the snow routes. The feedback from these neighborhoods has been very positive, with Fairground, Oak Park, Sheridan Gardens, Waveland Park and Merle Hay now requesting a mandatory no parking

provision on their streets anytime during snow removal operations.

In addition to posting signage to notify residents, the Snow Ordinance Street Program provides for warning notices to be placed on vehicles parked on the streets during snow removal operations for the first offence. Vehicles will be ticketed upon repeat offenses.
