I, DIANE RAUH, City Clerk of said City hereby certify that at a meeting of the City Council of said City of Des Moines, held on the above date, among other proceedings the above was adopted.

IN WITNESS WHEREOF, I have hereunto set my hand and affixed my seal the day and year first above written.

City	Clerk

# QUARTERLY TREASURER'S REPORT As of September 30, 2011

Heide U. Green, Treasury Manager Scott Sanders, Finance Director/Treasurer Prepared by

## Quarterly Treasurer's Report As of September 30, 2011

### Background

grant regulations, the Finance Director/Treasurer manages the City's funds as follows: In accordance with the City's investment policy, State law, and Federal arbitrage and

meet the daily cash flow demands of the City and provide market returns." currently needed in a manner which will provide protection of principal, "It is the policy of the City of Des Moines to invest public funds not

activities are: Therefore, the primary objectives, in priority order, of the investment

- 1. Safety of principal
- 2. Liquidity
- 3. Return on investments

2006) (Source: Investment Policy of the City of Des Moines, effective

### Purpose

This report is intended to permit City Council and the public to monitor the Treasurer's compliance with the three objectives stated above

## Safety of Principa

"Investment Definitions") provide information with which to assess the safety of the City's principal. first two pages of the report (pie graph of "Portfolio Composition" and

Government. As of September 30, 46.5 percent of the \$154.9 million total portfolio was invested in issued by lowa banks that have the backing of the State Sinking Fund Administration), which are backed by the implied or moral obligation of the U.S. Mortgage Corporation, Federal National Mortgage Association, and Farm Credit U.S. government agency securities (Federal Home Loan Bank, Federal Home Loan 20.8 percent of the portfolio was invested in certificates of deposit

### Liquidity

relatively short-term, to reflect their needed availability. This is apparent at the bottom investments, and non-pooled cash and investments. maturity of 216 days Maturity" shows this \$129.9 million portion of the portfolio to have an average of the report labeled "Pooled Portfolio Detail." The column labeled "Days-Purchase to investments contain the City's day-to-day operating funds. These investments are portfolio is divided into two major categories: The pooled pooled and

the main components of non-pooled cash and investments. The permanent cemetery sinking funds for enterprises like the Airport, Sewer System, and Parking System, are for only, a particular fund. Bond proceeds, debt service reserve funds, and bond The other major category of the City's portfolio is non-pooled cash and investments. This category contains investments purchased specifically for, and earning interest

investments in this category is 343 days. Pooled Portfolio Detail" reveals that the average maturity of the \$25.0 million of preceding paragraph. The last line on the second page of the report labeled "Noninvestments are much longer term than the pooled category described in the maintenance fund and special assessments are also included in this category. These

## Return on investments

cash and investments portfolio yield and the non-pooled cash and investments portfolio yield—both for fifteen months, and both compared with two benchmarks. The final two pages of this report are line graphs showing, respectively, the pooled

note yields For the non-pooled portfolio, with its current average maturity of 343 days, the two benchmarks displayed are the 180-day Treasury bill and the one-year Treasury note For the pooled portfolio, with its current average maturity of 216 days, the two benchmarks displayed are the two-year Treasury note and the three-year Treasury

fast as the benchmark. declining interest rates, the yield on the City's portfolio will probably not go down as portfolio will probably not go up as fast as the benchmark. Conversely, in times of yields will lag the market. Thus, in times of rising interest rates the yield on the City's Generally, because the City uses a "buy-and-hold" approach to investing, the portfolio

## **Investment Definitions**

## **Government Treasuries**

of from 1-10 years. Backed by full faith and credit of the U.S. Government. Treasury Notes: Intermediate term coupon bearing U.S. Treasury Securities having initial maturities

## Government Agencies

sale of corporate obligations (debentures and short-term notes) to private investors. Backed by FNMA (Federal National Mortgage Association): Conventional mortgages that are financed by the moral or implied obligation of the U.S. Government.

moral or implied obligation of U.S. Government. mortgage credit for residential housing. Participation is in the conventional loan market. Backed by FHLMC (Federal Home Loan Mortgage Corporation): Established to help maintain the availability of

associations. Backed by a moral or implied obligation of the U.S. Government. FHLB (Federal Home Loan Banks): The institution that regulates lending to savings and loan

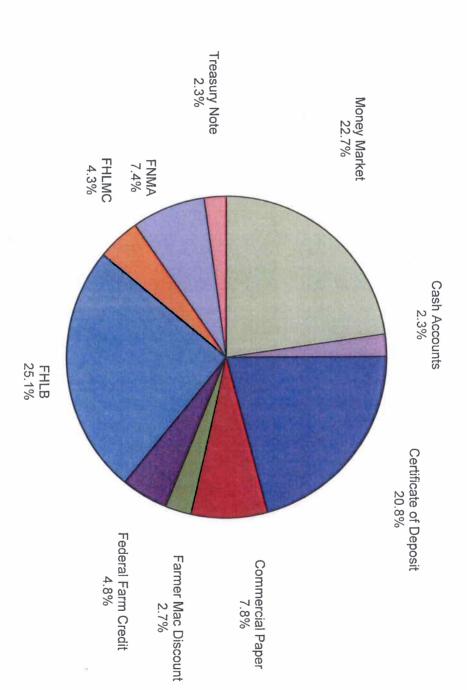

the U.S. Government. FFC (Federal Farm Credits): Supports agricultural loans. Backed by moral or implied obligation of

short-term instruments. typically 14 to 28 days obligations, commercial paper, and banker's acceptances. Average maturities of fund assets are Money Market Fund: A form of mutual fund that restricts investments to relatively safe, relatively Typical money market funds may invest in short-term U.S. government

the Federal Deposit Insurance Corporation (FDIC) for \$250,000. Certificate of Deposit: A time deposit with a specific maturity evidenced by a certificate. Insured by

Primarily used by large corporations to finance short-term debt Commercial Paper: An unsecured promissory note with a fixed maturity of no more than 270 days.

## City of Des Moines, Iowa Combined Portfolio Composition - Total \$154,942,898 As of September 30, 2011
