Indicate other experiences or skills which will contribute to the mission of this Board, Commission or Committee: I have 2 Masters degrees in fields that directly pertain to the Historic Preservation Commission - one in Architecture and the other in Community and Regional Planning. I have a deep commitment to serving, promoting and bettering Des Moines' historic neighborhoods. I chose to live in the River Bend neighborhood because it is such a unique and special place in our city. Through thoughtful and sensitive planning and design, River Bend's architecture, history and proximity to the urban core of Des Moines can serve as a model for the regenerative and revitalizing potential of our city's urban neighborhoods. My training in architecture and planning combined with my dedication to River Bend will serve this important Commission well. In addition, I have graphics and communications skills which could be of benefit to the Commission in its work to protect and improve the historic character of Des Moines' neighborhoods. For the aforementioned reasons and with the benefit of aforementioned education and skills, I am also very interested in serving on Des Moines' Plan and Zoning Commission.
