We are requesting to meet with the DM City Council due to some property disputes:

- 1) Neighbor at 2206 Indianola Ave. hauled in truck loads of concrete and dirt raising the property level and put in plastic drain tubes that drain the water directly into the back of the garage and driveway and into the lot behind the house and garage making it unable to mow most of the time. (To our knowlwdge he has never gotten a permit to do any of this work and we believe it is illegal for him to be dumping his water on our property)
- 2) Removing survey poles twice after they were placed in the ground, one was even cemented into the ground. (When he removes these survey poles, that would mean he is on our property)
- 3) His dirt has spilled over into several different piles on the property of 2200 Indianola Ave. (He needs a retaining wall to hold the dirt back)
- 4) Every time we have a valid complaint he retaliates by harassing us by calling in on our dog, sidewalks and now most resent, the house being a eye sore. (Frankly he just keeps doing what he was told by the city had to be done last year.) The more he does, the more damage he is causing to our property.
- 5) We are no longer living at the property due to the stress and the harassmt still continues. No one at the city seems to be listening, helping or following through and this has been a very costly situation for us.

There has been so much focus put on us, but the focus is truly being put in the wrong direction. This man that continues to do this does not even own this property, this property is in a trust to what we believe is his ex wife.

Could you please verify the date and time of this meeting we are asking to appear at.

Thank you!

Sincerely,

Jodi Shaughnessy - Mother-in-law
Adam J. Thompson II - Owner
Susan Thompsom - Mother
