An inspection of the referenced property was conducted for its conformance to the Municipal Code of the City of Des Moines. It has been determined from that inspection that the dwelling currently constitutes not only a menace to health and safety, but is also a public nuisance. Accordingly, the dwelling will be placarded as unfit for human habitation pursuant to the Municipal Code of the City of Des Moines and the Code of Iowa.

If not occupied at the present time, the dwelling is to remain vacant and unoccupied until occupancy is authorized by this office. If the dwelling is occupied, it must be vacated immediately. If procedures to vacate the premises are not undertaken immediately upon receipt of this notice, and in no case later than seven (7) days, the City will issue a Municipal Infraction in accordance with Section 60-304 and 60-306 pursuant to the Municipal code of the City of Des Moines. Additionally, if the property had a Certificate of Inspection, it is hereby revoked.

Attached is a listing of the violations existing on the date of the inspection and a recommendation as to the remedial action required to correct such violations. Failure to correct these violations will result in legal action. The violations noted must be corrected within 30 days from the date of this notice. Failure to correct these violations will result in a request to the City Council, sitting as the board of Health, to approve legal action. As a result of this public nuisance action there will be costs incurred by the City. Costs will be billed out when the nuisance has been abated. Failure to pay the costs will result in collection by assessment to the property or personal judgment.

ALL ELECTRICAL, MECHANICAL, PLUMBING, AND STRUCTURAL COMPONENTS IN NEED OF REPLACEMENT OR REPAIR, ARE TO BE BROUGHT TO MINIMUM CODE REQUIREMENTS WITH NECESSARY PERMITS AS REQUIRED TO MEET CITY CODES.

Appropriate building permits may be required for those violations noted in the "Special Requirements" section on the notice. Should you have questions regarding permits, contact the Permit and Development Center at 283-4200. All work performed by a contractor or you must be completed in a workmanlike manner. If you plan to renovate the structure and it has been vacant for a period in excess of one year, there may be zoning issues, which will affect the proposed use of the structure and/or real estate. Please contact the Development Zoning Division at 283-4207 to determine what the legal use for the structure and/or the real estate is prior to commencement of any renovation.

If you believe the building is beyond repair and decide to remove it, all debris must be removed from the property and the basement excavation if any, filled in the manner required by the City. You are encouraged to arrange for this demolition yourself; however a demolition permit must be obtained from the Building Department. In the event you are unable to arrange for demolition, you may sign a waiver voluntarily authorizing the City to do so. However, the city may take a personal judgment against you for the costs of removal.

If you no longer own the property, notify us in writing of the name, address, and telephone number of the new owner. A copy of the real estate contract or deed, if it has not been recorded at the Polk county Recorder's Office, shall likewise be furnished to the Neighborhood Inspection Division.

Should you have any questions, feel free to call. I can usually be reached between 8:00am and 9:00am, Monday through Friday.
