Re: Des Moines stinks again.

Dear Mr. Mayor:

I respectfully request to address the City Council Monday, August 27, 2012 regarding the recent odor alert. The air pollution is a huge problem for the health and safety of our citizens. The negative economic impact is incalculable. We must finally solve this problem if we are to become a world class city. We can no longer tolerate the putrid smell and taste of dead and decaying animals.

Sincerely,

Bruce G Gerleman
President
