City Council Members:

Please consider this e-mail from Story Design Ltd., acting on behalf of the Owner, Davis Investments (West Wind Logistics), to respectfully request the waiving of the second and third reading of the rezoning request for the above referenced property. We are requesting this action, because we need to start construction as soon as possible to be able to begin the Owners operations before the onset of winter weather. Please contact us with any concerns.

Sincerely,

John Snyder
