Karen, I am sorry to submit this application so late (June 1st event date) but we have decided we need to better manage the crowd so we have added fencing to keep the spectators out of the runner finish area and make an official exit. Also included at the end of the document is a layout of the finish area to show where the banner will be located on 13th Street. You should have our insurance info as we previously submitted a banner application for the finish line. I greatly appreciate your running this through the city process. Thanks!
