NDC Board of Directors and NRB Board,

I regret to inform you that I am resigning as the NRB representative for the NDC Board of Directors effective immediately. I will no longer be able to serve as I am working on a community development project called the Green Impact Zone in Kansas City, Missouri <http://www.greenimpactzone.org/> and will continue to do so through at least December of this year. Unfortunately, I will not be able to get back to Des Moines consistently to be an effective Board Member.

I do apologize for the late notice, it seems time is in fast forward! Thank you all for the opportunity to serve on the Board.

Thank you!
Alecia Kates
