Craig,

Please see attached Revised Subcontractor File.

We added the following Subs.

Finco-

We added these guys so they could trim the tree-limbs out of the Power Lines so we could finish removing the trees on SE 10th. We will be paying them per invoice or T&M, so we don't know the exact amount until they finish their work.

Iowa Concrete Cutting-

We are hiring them to core-Drill the intakes so we can tie our subdrain into the intakes. We will be paying them T&M, so we don't know what the final amount is until they finish the work.
