An inspection of the referenced property was conducted for its conformance to the Municipal Code of the City of Des Moines. It has been determined from that inspection that the structure currently constitutes not only a menace to health and safety, but is also a public nuisance. Accordingly, the structure will be placarded as unsafe to occupy pursuant to the Municipal Code of the City of Des Moines and the Code of Iowa.

If not occupied at the present time, the structure is to remain vacant and unoccupied until occupancy is authorized by this office. If the structure is occupied, it must be vacated immediately. In accordance with Chapter 26-157 (fka 26-277) of Des Moines Municipal code, this structure is deemed unsafe, and creates a public nuisance threatening to the health and safety of the public.

Attached is a listing of the violations existing on the date of the inspection and a recommendation as to the remedial action required to correct such violations. Failure to correct these violations will result in legal action. The violations noted must be corrected within **30 days** from the date of this notice. Permits must be obtained from this department prior to commencing any repairs or demolition. Inspections must be requested and approved in accordance with the code and our policies.

ALL ELECTRICAL, MECHANICAL, PLUMBING, AND STRUCTURAL COMPONENTS IN NEED OF REPLACEMENT OR REPAIR, ARE TO BE BROUGHT TO MINIMUM CODE REQUIREMENTS WITH NECESSARY PERMITS AS REQUIRED TO MEET CITY CODES.

Appropriate building permits may be required for those violations noted in the "Special Requirements" section on the notice. Should you have questions regarding permits, contact the Permit and Development Center at 283-4200. **If you plan to renovate the structure and it has been vacant for a period in excess of one year, there may be zoning issues which will affect the proposed use of the structure and/or real estate.** Please contact the Development Zoning Division at 283-4207 to determine what the legal use for the structure and/or the real estate is prior to commencement of any renovation.

If you believe the building is beyond repair and decide to remove it, all debris must be removed from the property and the basement excavation if any, filled in the manner required by the City. You are encouraged to arrange for this demolition yourself; however a demolition permit must be obtained from the Building Department. In the event you are unable to arrange for demolition, you may sign an agreement voluntarily authorizing the City to do so. However, you will be responsible for all costs associated with the abatement of the public nuisance. The City may seek a personal judgment against you for the costs of removal and assess those costs against the property.

If you no longer own the property, notify us in writing of the name, address, and telephone number of the new owner. A copy of the real estate contract or deed, if it has not been recorded at the Polk county Recorder's Office, shall likewise be furnished to the Permit and Development Center.

Should you have any questions, feel free to call. I can usually be reached between 8:00am and 9:00am, Monday through Friday.
