RE: Proposed vacation of City right-of-way to allow for B-Cycle program kiosk leases
on said right-of-way

City of Des Moines City Council:

Please accept this request to waive the three required readings of the ordinance to vacate
the above referenced City owned right-of-way. The reason for this request is the following:

Des Moines Bicycle is on a tight deadline to prepare sites and
order equipment by December so new stations are ready to open -
as scheduled - in Spring 2015. If the stations aren't available
in the spring, Des Moines Bicycle will suffer significant loss in
projected revenue.

Thank you.

Sincerely,

Jeremy Lewis, Director
Des Moines Bicycle Collective
