STAFF RECOMMENDATION TO THE P&Z COMMISSION

Staff recommends approval of the proposed zoning text amendment.

STAFF REPORT TO THE PLANNING COMMISSION

I. GENERAL INFORMATION

The proposed text amendment to Section 134-708 and 134-741(15) of the City Code is attached. The amendment clarifies City Code to match the City's historical and current practices for administration of the zoning code.

The proposed text was not reviewed by the Regulation and Ordinance Subcommittee of the Plan and Zoning Commission as it was deemed to be minor in nature (i.e. changing mandatory word "shall" to permissive word "may") and it matches historical and current practice by the City. Staff is unaware of any Planned Unit Development (PUD) or Planned Business Park (PBP) that was voided by the City for a failure to finalize a development plan or to commence construction. However, the proposed text still preserves the City's right and discretion to void a PUD or PBP in the future.

SUMMARY OF DISCUSSION

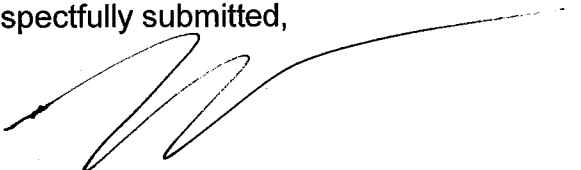

Greg Jones asked if anyone was present to speak on this item. None were present or requested to speak.

COMMISSION ACTION:

Mike Simonson moved staff recommendation for approval of the proposed zoning text amendment.

Motion passed 11-0.

Respectfully submitted,

Jason Van Essen, AICP
