Re: Resignation letter of Daniel L. Flaherty

Dear Robert:

This correspondence is to follow up our conversation of my intent to resign from both the Chair position and from the Plan and Zoning Board itself. As I indicated, I will remain and assist you in every way until a replacement is found. My experiences in Scouting have taught me that I need to replace myself and will make every effort to see that job through. I will also be happy to assist my replacement in his or her acclimation to the Board.

I would like to thank you for your support and the support of the Council in my tenure on the Board. It has been an enlightening and rewarding experience. During my tenure I have had the privilege of watching our City grow and flourish, for which it is only now being recognized on a national level. I have been happy to be a part of that process and am rewarded by the ends to which our City has risen.

I have been a member of this body for over 20 years and was recently was injured. Greg Jones and Jacqueline Easley have filled in for me during the initial injury phase and while I thought that the recovery process would be brief, I have discovered much to my chagrin that this is not the case. The injury has somewhat limited me and I believe that I should step aside at this time to allow for my healing and to not limit the forward progress of the City in its movement toward further greatness.

As a result of our By-Laws, Greg Jones will be filling my unexpired term. I know him to be well qualified and pray that God will grant him the temperament necessary to conduct some of those contentious meetings that arise on occasion. I also wish him as much success as I have experienced.

I am looking forward to some time to heal, but would greatly appreciate the opportunity to serve this great City in the future.

Sincerely,

Daniel L. Flaherty

Chair and member of the City of Des Moines Plan and Zoning Commission

Just a short note confirming our phone conversation and my statement to you that December 18, 2014, will be my last Plan and Zoning meeting as a commissioner. As I indicated in previous correspondence, I am thankful for the opportunity to be able to serve the citizens of Des Moines for this past 20+ years and am happy to know that this city is in the capable hands of the current commission, but it has become increasingly of concern to me that with the undertaking of a future community character plan it is imperative that the city have someone on board who can see the plan to fruition.

Once again I want to thank you for your trust in me and to wish the Plan and Zoning Commission the best in its future endeavors.
