WHEREAS, pursuant to Iowa Code §34A there is established in each county a Joint 911 Service Board to provide enhanced 911 emergency telephone communication systems and other emergency 911 notification devices to further the public interest and protect the health, safety, and welfare of the people of Polk County, Iowa; and,

WHEREAS, the E911 Service Board is a joint undertaking of Polk County and each of the political subdivisions having a public safety agency serving territory within the county E911 service area; and,

WHEREAS, the E911 Service Board desires to comply with the use of the national interoperability channels and to augment its communication efforts by formally adopting the National Interoperability Channels (Metro Interoperability Communications System) as noted in the Iowa Statewide Communications Systems Board statewide minimum interoperability channel plan as an official interoperability solution; and,

WHEREAS, adoption of this resolution demonstrates the City of Des Moines' commitment to using the appropriate National Interoperability Channels (Metro Interoperability Communications System) during a multi-agency response; and,

WHEREAS, the City of Des Moines, as owners of the Metro Interoperability Communication System, will continue to use this asset during appropriate events; and,

NOW THEREFORE BE IT RESOLVED by the City Council of the City of Des Moines, Iowa that the City of Des Moines adopts the National Interoperability Channels (Metro Interoperability Communication System) as an official method of communication during a multi-agency response; and,

BE IT FURTHER RESOLVED the City of Des Moines will submit this resolution to the Polk County E911 Service Board.
