STAFF REPORT TO THE PLANNING COMMISSION

I. GENERAL INFORMATION

1. **Purpose of Request:** The applicant is proposing to convert the existing vacant office building to a space for artist studios and assembly/exhibit space. The building was constructed in 1973 as part of the Northwestern Bell Telephone Company and was previously occupied by Quest Communications.

The applicant has indicated an intensification in use from office space to assembly space that would trigger increased parking requirements in the existing Zoning District. Also, the C-2 zoning regulations currently allow office buildings no greater than 30,000 square feet in area and no taller than three (3) stories to operate by right in the district. The proposed rezoning from C-2 to C-3 would allow the building to continue to be used for commercial uses and bring the parking, building size and the location in compliance with zoning requirements. The change in intensity of the use would be in conformance with the standards of the C-3 zoning district which allows high-intensity and large bulk development.

The applicant is not proposing to make any site modifications at this time. If the property is rezoned to "C-3" District, any future site modifications or redevelopment would require a site plan.

2. **Size of Site:** 76,310 square feet (1.752 acres).
3. **Existing Zoning (site):** "C-2" General Retail and Highway Oriented Commercial District and "FSO" Free Standing Sign Overlay District.

4. **Existing Land Use (site):** The site contains a vacant 154,904 square-foot, 5-story commercial building that was previously occupied by Quest Communications.

5. **Adjacent Land Use and Zoning:**

North – “C-2”; Uses are office buildings for Premier Credit Union, KCCI TV & Radio and retail/warehouse (Electronic Engineering).

South – “C-2”; Uses are Principal’s Generator Plant and a Preschool and Child Care Facility.

East – “C-3A” and “C-3”; Uses are Keosauqua right-of-way and traffic island and the Principal Childcare Center.

West – “C-0”; Use is office building for Iowa Annual Conference United Methodist Church and the Iowa Methodist Medical Center.

6. **General Neighborhood/Area Land Uses:** The proposed development is located along west side of Keosauqua Way, a major commercial corridor at the northwest corner of the central business district. The area contains a mix of low and medium density office uses.

7. **Applicable Recognized Neighborhood(s):** The subject property is located in the Downtown Des Moines Neighborhood. The neighborhood was notified of the Commission meeting by mailing of the Preliminary Agenda on March 27, 2015. A Final Agenda was mailed to the neighborhood association on April 10, 2015. Additionally, separate notifications of the hearing for the site plan were mailed on April 6, 2015 (10 days prior to the hearing) to the neighborhood association and to the primary titleholder on file with the Polk County Assessor for each condominium owner within the property and every owner of property or condominium within 250 feet of the site.

All agendas and notices are mailed to the primary contact(s) designated by the recognized neighborhood association to the City of Des Moines Neighborhood Development Division. The Downtown Des Moines Neighborhood Association notices were mailed to Larry Bradshaw, 418 6th Avenue, Ste. 902, Des Moines, IA 50309.

The applicant conducted a neighborhood meeting April 28, 2015 and will be able to provide a summary of the events at the public hearing.

8. **Relevant Zoning History:** None.

9. **2020 Community Character Land Use Plan Designation:** High Amenity Office/Institutional. This designation is described as area where uses are intended to strengthen and compliment the faculties in the retail and office core and to provide buildings for office, institutional, cultural, and recreational and hotels. The proposed rezoning from “C-2” to “C-3” Zoning District to allow for artist studios and assembly/exhibit space conforms to Des Moines’ 2020 Community Character Plan.

10. **Applicable Regulations:** The Commission reviews all proposals to amend zoning boundaries or regulations within the City of Des Moines. Such amendments must be in

10. Applicable Regulations: The Commission reviews all proposals to amend zoning boundaries or regulations within the City of Des Moines. Such amendments must be in conformance with the comprehensive plan for the City and designed to meet the criteria in 414.3 of the Iowa Code, and taking into consideration the criteria set forth in Chapter 18B of the Iowa Code. The Commission may make recommendations to the City Council on conditions to be made in addition to the existing regulations so long as the subject property owner agrees to them in writing. The recommendation of the Commission will be forwarded to the City Council.

II. ADDITIONAL APPLICABLE INFORMATION

1. **Parking & Access:** The "C-3" district does not require any off-street parking. The building currently occupies most of the property with an open first floor parking deck and leases some parking on the west side of the building. If the property is rezoned to "C-3" District, any future site modifications or redevelopment would require a site plan.
2. **Permit & Development Center Comments:** Any renovation of the building must be in compliance with applicable Building and Fire Codes, with issuance of any necessary permits by the Permit and Development Center.

SUMMARY OF DISCUSSION

Greg Jones asked if anyone was present to speak on this item. None were present or requested to speak.

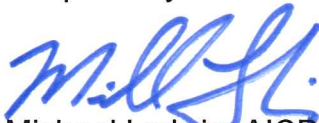

COMMISSION ACTION:

CJ Stephens moved staff recommendation for Part A) that the proposed rezoning be found in conformance with the existing Des Moines' 2020 Community Character Plan designations of High Amenity Office/Institutional and Part B) approval of the requested rezoning subject to the following conditions:

1. Any renovation to the building be in compliance with the applicable building and fire code with issuance of any necessary permits by the Permit and Development Center.
2. Any future site modifications or redevelopment are based on review and approval of a site plan by the Community Development Director.

Motion passed 11-0-1 (Mike Simonson abstained).

Respectfully submitted,

Michael Ludwig, AICP
Planning Administrator
