REJECT ALL BIDS ON
2015 BRICK STREET REPAIR PROGRAM
AND TO CLOSE THE HEARING ON THE PLANS, SPECIFICATIONS, FORM
OF CONTRACT DOCUMENTS, AND ENGINEER'S ESTIMATE

WHEREAS, on April 20, 2015, under Roll Call No. 15-0641, plans, specifications, form of contract documents, and Engineer's estimate of construction cost were filed with the City Clerk for the construction of the following improvement:

2015 Brick Street Repair Program, 06-2015-002

The improvement includes patching areas of brick streets by removing and cleaning the existing bricks, repairing the subgrade with granular material and placing a 6-inch thick PCC base, reinstalling the salvaged bricks, and other incidental items; in accordance with the contract documents, including Plan File Nos. 568-172/176, at the following locations in Des Moines, Iowa: Des Moines Street from E. 18th Street to E. 30th Street and Capitol Avenue from E. 18th Street to E. 30th Street

WHEREAS, notice of the hearing on the plans, specifications, form of contract documents, and Engineer's estimate of construction cost was published as required by law; and

WHEREAS, the Des Moines City Engineer, as the Engineer, recommends rejection of all bids because one of the two bids received could not be read since the Proposal Attachment Part F was not completed, as submitted by Hardscape Solutions of Iowa, Inc., Curtis Richey, President, PO Box 551, Marion, Iowa, 52302-0551, which is considered an incomplete bid and as a result the bid could not be read. The apparent low bidder, Jasper Construction Services, Inc., Steven J. Rhoads, President, 928 N 19th Avenue East, Newton, Iowa, 50208, was 11.49% above the estimate. There were two additional plan holders who obtained the bidding documents directly from the City that indicated they would be prime contractors. Given the City expected additional bidders and the apparent low bid was 11.49% above estimate, the City will evaluate the project for revisions and therefore the Des Moines City Engineer recommends the project be rebid in the near future.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DES MOINES, IOWA: That the hearing on the plans, specifications, form of contract documents, and Engineer's estimate of construction cost for said improvement be and is hereby **CLOSED**.

BE IT FURTHER RESOLVED: That sealed bids for said improvement were submitted by the following bidders:

- | | |
|------------------------------------|--------------|
| Jasper Construction Services, Inc. | Newton, IA |
| Hardscape Solutions of Iowa, Inc. | Marion, IA |
| | Bid not read |

which were received and opened at a public meeting presided over by the Engineer in the City Council Chambers, 2nd Floor, City Hall, 400 Robert D. Ray Drive, Des Moines, Iowa at 11:00 a.m. on May 5, 2015. Said bids and the attached tabulation of bids for said improvement be and are hereby accepted, received, and filed.

BE IT FURTHER RESOLVED: That all bids for said improvement, be and the same are hereby rejected because one of the two bids received could not be read since the Proposal Attachment Part F was not completed, as submitted by Hardscape Solutions of Iowa, Inc., Curtis Richey, President, PO Box 551, Marion, Iowa, 52302-0551, which is considered an incomplete bid and as a result the bid could not be read. The apparent low bidder, Jasper Construction Services, Inc., Steven J. Rhoads, President, 928 N 19th Avenue East, Newton, Iowa, 50208, was 11.49% above the estimate. There were two additional plan holders who obtained the bidding documents directly from the City that indicated they would be prime contractors. Given the City expected additional bidders and the apparent low bid was 11.49% above estimate, the City will evaluate the project for revisions and therefore the Des Moines City Engineer recommends the project be rebid in the near future.
