Section 8. Issuance of Bonds in Book-Entry Form; Replacement Bonds.

(a) Notwithstanding the other provisions of this Resolution regarding registration, ownership, transfer, payment and exchange of the Bonds, unless the Issuer determines to permit the exchange of Depository Bonds for Bonds in the Authorized Denominations, the Bonds shall be issued as Depository Bonds in denominations of the entire principal amount of each maturity of Bonds (or, if a portion of said principal amount is prepaid, said principal amount less the prepaid amount); and such Depository Bonds shall be registered in the name of Cede & Co., as nominee of DTC. Payment of semi-annual interest for any Depository Bond shall be made by wire transfer or New York Clearing House or equivalent next day funds to the account of Cede & Co. on the interest payment date for the Bonds at the address indicated in or pursuant to the Representation Letter.

(b) With respect to Depository Bonds, neither the Issuer nor the Paying Agent shall have any responsibility or obligation to any Participant or to any Beneficial Owner. Without limiting the immediately preceding sentence, neither the Issuer nor the Paying Agent shall have any responsibility or obligation with respect to (i) the accuracy of the records of DTC or its nominee or of any Participant with respect to any ownership interest in the Bonds, (ii) the delivery to any Participant, any Beneficial Owner or any other person, other than DTC or its nominee, of any notice with respect to the Bonds, (iii) the payment to any Participant, any Beneficial Owner or any other person, other than DTC or its nominee, of any amount with respect to the principal of, premium, if any, or interest on the Bonds, or (iv) the failure of DTC to provide any information or notification on behalf of any Participant or Beneficial Owner.

The Issuer and the Paying Agent may treat DTC or its nominee as, and deem DTC or its nominee to be, the absolute owner of each Bond for the purpose of payment of the principal of, premium, if any, and interest on such Bond, for the purpose of all other matters with respect to such Bond, for the purpose of registering transfers with respect to such Bonds, and for all other purposes whatsoever (except for the giving of certain Bond holder consents, in accordance with the practices and procedures of DTC as may be applicable thereto). The Paying Agent shall pay all principal of, premium, if any, and interest on the Bonds only to or upon the order of the Bondholders as shown on the Registration Books, and all such payments shall be valid and effective to fully satisfy and discharge the Issuer's obligations with respect to the principal of, premium, if any, and interest on the Bonds to the extent so paid. Notwithstanding the provisions of this Resolution to the contrary (including without limitation those provisions relating to the surrender of Bonds, registration thereof, and issuance in Authorized Denominations), as long as the Bonds are Depository Bonds, full effect shall be given to the Representation Letter and the procedures and practices of DTC thereunder, and the Paying Agent shall comply therewith.

(c) Upon (i) a determination by the Issuer that DTC is no longer able to carry out its functions or is otherwise determined unsatisfactory, or (ii) a determination by DTC that the

(d) To the extent authorized by law, if the Issuer determines to provide for the exchange of Depository Bonds for Bonds in Authorized Denominations, the Issuer shall so notify the Paying Agent and shall provide the Registrar with a supply of executed unauthenticated Bonds to be so exchanged. The Registrar shall thereupon notify the owners of the Bonds and provide for such exchange, and to the extent that the Beneficial Owners are designated as the transferee by the owners, the Bonds will be delivered in appropriate form, content and Authorized Denominations to the Beneficial Owners, as their interests appear.

(e) Any substitute depository shall be designated in writing by the Issuer to the Paying Agent. Any such substitute depository shall be a qualified and registered "clearing agency" as provided in Section 17A of the Securities Exchange Act of 1934, as amended. The substitute depository shall provide for (i) immobilization of the Depository Bonds, (ii) registration and transfer of interests in Depository Bonds by book entries made on records of the depository or its nominee and (iii) payment of principal of, premium, if any, and interest on the Bonds in accordance with and as such interests may appear with respect to such book entries.

Section 9. Registration of Bonds; Appointment of Registrar; Transfer; Ownership; Delivery; and Cancellation.

(a) Registration. The ownership of Bonds may be transferred only by the making of an entry upon the books kept for the registration and transfer of ownership of the Bonds, and in no other way. Registrar shall maintain the books of the Issuer for the registration of ownership of the Bonds for the payment of principal of and interest on the Bonds as provided in this Resolution. All Bonds shall be negotiable as provided in Article 8 of the Uniform Commercial Code and Section 384.31 of the Code of Iowa, subject to the provisions for registration and transfer contained in the Bonds and in this Resolution.

(b) Transfer. The ownership of any Bond may be transferred only upon the Registration Books kept for the registration and transfer of Bonds and only upon surrender thereof at the office of the Registrar together with an assignment duly executed by the holder or his duly authorized attorney in fact in such form as shall be satisfactory to the Registrar, along with the address and social security number or federal employer identification number of such transferee (or, if registration is to be made in the name of multiple individuals, of all such transferees). registered owner which is the nominee of the broker or dealer in question) is that of a broker or dealer, there must be disclosed on the Registration Books the information pertaining to the registered owner required above. Upon the transfer of any such Bond, a new fully registered Bond, of any denomination or denominations permitted by this Resolution in aggregate principal amount equal to the unmatured and unredeemed principal amount of such transferred fully registered Bond, and bearing interest at the same rate and maturing on the same date or dates shall be delivered by the Registrar.

All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond, including the interest thereon, to the extent of the sum or sums so paid.

(e) Cancellation. All Bonds which have been redeemed shall not be reissued but shall be cancelled by the Registrar. All Bonds which are cancelled by the Registrar shall be destroyed and a certificate of the destruction thereof shall be furnished promptly to the Issuer; provided that if the Issuer shall so direct, the Registrar shall forward the cancelled Bonds to the Issuer.

(f) Non-Presentation of Bonds. In the event any payment check representing payment of principal of or interest on the Bonds is returned to the Paying Agent or if any bond is not presented for payment of principal at the maturity or redemption date, if funds sufficient to pay such principal of or interest on Bonds shall have been made available to the Paying Agent for the benefit of the owner thereof, all liability of the Issuer to the owner thereof for such interest or payment of such Bonds shall forthwith cease, terminate and be completely discharged, and thereupon it shall be the duty of the Paying Agent to hold such funds, without liability for interest thereon, for the benefit of the owner of such Bonds who shall thereafter be restricted exclusively to such funds for any claim of whatever nature on his part under this Resolution or on, or with respect to, such interest or Bonds. The Paying Agent's obligation to hold such funds shall continue for a period equal to two years and six months following the date on which such interest or principal became due, whether at maturity, or at the date fixed for redemption thereof, or otherwise, at which time the Paying Agent, shall surrender any remaining funds so held to the Issuer, whereupon any claim under this Resolution by the Owners of such interest or Bonds of whatever nature shall be made upon the Issuer.

Date July 27, 2015

(g) Registration and Transfer Fees. The Registrar may furnish to each owner, at the Issuer's expense, one bond for each annual maturity. The Registrar shall furnish additional bonds in lesser denominations (but not less than the minimum denomination) to an owner who so requests.

Section 10. Reissuance of Mutilated, Destroyed, Stolen or Lost Bonds. In case any outstanding Bond shall become mutilated or be destroyed, stolen or lost, the Issuer shall at the request of Registrar authenticate and deliver a new Bond of like tenor and amount as the Bond so mutilated, destroyed, stolen or lost, in exchange and substitution for such mutilated Bond to Registrar, upon surrender of such mutilated Bond, or in lieu of and substitution for the Bond destroyed, stolen or lost, upon filing with the Registrar evidence satisfactory to the Registrar and Issuer that such Bond has been destroyed, stolen or lost and proof of ownership thereof, and upon furnishing the Registrar and Issuer with satisfactory indemnity and complying with such other reasonable regulations as the Issuer or its agent may prescribe and paying such expenses as the Issuer may incur in connection therewith.

Section 11. Record Date. Payments of principal and interest, otherwise than upon full redemption, made in respect of any Bond, shall be made to the registered holder thereof or to their designated agent as the same appear on the books of the Registrar on the 15th day of the month preceding the payment date. All such payments shall fully discharge the obligations of the Issuer in respect of such Bonds to the extent of the payments so made. Payment of principal shall only be made upon surrender of the Bond to the Paying Agent.

Section 12. Execution, Authentication and Delivery of the Bonds. Upon the adoption of this Resolution, the Mayor and Clerk shall execute and deliver the Bonds to the Registrar, who shall authenticate the Bonds and deliver the same to or upon order of the Purchaser. No Bond shall be valid or obligatory for any purpose or shall be entitled to any right or benefit hereunder unless the Registrar shall duly endorse and execute on such Bond a Certificate of Authentication substantially in the form of the Certificate herein set forth. Such Certificate upon any Bond executed on behalf of the Issuer shall be conclusive evidence that the Bond so authenticated has been duly issued under this Resolution and that the holder thereof is entitled to the benefits of this Resolution.

If selection by lot within a maturity is required, the Registrar shall designate the bonds to be redeemed by random selection of the names of the registered owners of the entire annual maturity until the total amount of bonds to be called has been reached.
