STAFF REPORT TO THE PLANNING COMMISSION

I. GENERAL INFORMATION

- 1. Purpose of Request:** The applicant is seeking to rezone the subject property to allow continued use by a tenant to conduct a light manufacturing business that involves the production and bottling of salad dressing for wholesale customers.
- 2. Size of Site:** Approximately 3,150 square feet.
- 3. Existing Zoning (site):** "C-2" General Retail and Highway-Oriented Commercial District and "FSO" Freestanding Sign Overlay District.
- 4. Existing Land Use (site):** The property is a commercially built structure occupied most recently by a light manufacturing use and previously by a bakery and a restaurant before that.
- 5. Adjacent Land Use and Zoning:**
 - North** – "C-2" & "FSO"; Use is off-street parking and hardware store.
 - South** – ""C-2", "GGP" & "FSO"; Use is multi-tenant commercial center.
 - East** – "C -2" & "FSO"; Uses is multi-tenant commercial center.
 - West** – "C-2" & "FSO"; Uses is mixed-use multiple-family residential and retail building.
- 6. General Neighborhood/Area Land Uses:** The subject property is located in the Highland Park neighborhood commercial district and the intersection of the 6th Avenue and Euclid Avenue (U.S. Highway 6) corridors.

7. **Applicable Recognized Neighborhood(s):** The subject property is located in the Highland Park Neighborhood and within 250 feet of the Oak Park Neighborhood. This neighborhood associations were notified of the meeting by mailing of the Preliminary Agenda to all recognized neighborhood associations on July 17, 2015. Additionally, separate notifications of the hearing for this specific item were mailed on July 17, 2015 (20 days prior to the hearing) and July 27, 2015 (10 days prior to the hearing) to the Highland Park Neighborhood Association, the Oak Park Neighborhood Association and to the primary titleholder on file with the Polk County Assessor for each property within 250 feet of the requested rezoning. A Final Agenda for the meeting was mailed to all the recognized neighborhood associations on July 31, 2015.

All agendas and notices are mailed to the primary contact person designated to the City of Des Moines Neighborhood Development Division by the recognized neighborhood association. The Highland Park Neighborhood Association notices were mailed to Andy Anderson, 4011 North Union Street, Des Moines, IA 50313. The Oak Park Neighborhood Association notices were mailed to Viola Christenson, 3615 18th Street, Des Moines, IA 50313.

8. **Relevant Zoning History:** The Zoning Enforcement Officer has determined that this operation is consistent with an industrial use since it does not involve regular retail sales of the products produced on premises, such as a bakery with retail sales found as a permitted use in the "C-1" District regulations. The property is under notice of an enforcement action as of June 3, 2015.
9. **2020 Community Character Land Use Plan Designation:** Commercial: Pedestrian-Oriented, Commercial Corridor.
10. **Applicable Regulations:** The Commission reviews all proposals to amend zoning boundaries or regulations within the City of Des Moines. Such amendments must be in conformance with the comprehensive plan for the City and designed to meet the criteria in 414.3 of the Iowa Code, and taking into consideration the criteria set forth in Chapter 18B of the Iowa Code. The Commission may make recommendations to the City Council on conditions to be made in addition to the existing regulations so long as the subject property owner agrees to them in writing. The recommendation of the Commission will be forwarded to the City Council.

II. ADDITIONAL APPLICABLE INFORMATION

1. **2020 Community Character Plan:** The Highland Park Neighborhood Plan as an element to the Des Moines' 2020 Community Character Plan contemplates that the property will remain in the character of the surrounding pedestrian-oriented commercial area. This area has a traditional development pattern with zero setback buildings and pedestrian scale.

While the owner may be willing to restrict the rezoning to the light manufacturing use in operation as part of rezoning and the fact that the use does not appear to be causing any direct adverse impact to the area, the overall character of the area is best suited by occupancies which serve pedestrian retail traffic. Staff does not believe that introducing the allowance for light industrial uses with no retail component is conducive for the surrounding retail viability.

SUMMARY OF DISCUSSION

Erik Lundy presented the staff report and recommendation.

Brian Millard asked what the procedure is to ask for a use variance.

Erik Lundy explained there is no standing for use variance request without first being denied a rezoning that would allow for the proposed use.

Greg Wattier asked does the applicant understand this formality.

Erik Lundy stated he believes they understand that is a remedy available to them.

Bill Wheeler 3613 6th Avenue stated he is in opposition of his request for rezoning. He wants a use variance. This is a low usage operation, no big trucks, not a lot of noise. They met with the neighborhood leaders and neighboring business and property owners and they all agreed the current tenant runs a clean operation.

CHAIRPERSON OPENED THE PUBLIC HEARING

Michael Harden he owns the property one block to the north. He is opposed to the applicant's request. He believes trying to make this "M-1" Light Industrial District conflicts with the purpose of the streetscape and SSMID. His biggest concern is when it fails and it will fail there is no longer going to be a salad dressing distribution company. In 15 years it might become a body shop or something that is not in keeping with the SSMID agreement.

CHAIRPERSON CLOSED THE PUBLIC HEARING

COMMISSION ACTION:

Sasha Kamper moved staff recommendation Part A) to find the proposed rezoning not in conformance with the existing Des Moines' 2020 Community Character Plan existing future land use designation of Low Density Residential, Part B) denial of an amendment to the Des Moines' 2020 Community Character Plan to revise the existing future land use designation from Commercial: Pedestrian-Oriented, Commercial Corridor to General Industrial and Part C) denial of rezoning to a Limited "M-1" Light Industrial District.

Motion passed 11-0.

Respectfully submitted,

In lieu of Rezoning I'd prefer that a Variance be granted to allow for this operation. I think this operation is an asset to the neighborhood. Therefore I think that the granting of a variance to the current zoning makes more sense than rezoning.

It's a very small business trying to make a living (using the Highland park area). They have lived here for years - well acquainted with everyone - no trucks are used to distribute the products.
