STAFF REPORT TO THE PLANNING COMMISSION

I. GENERAL INFORMATION

1. **Purpose of Request:** The applicant is seeking to rezone the subject property to allow the existing residential dwelling to be re-occupied as a two-family dwelling. The Zoning Enforcement Officer has determined that the property has lost legal non-conforming rights as a four unit multiple-family dwelling.
2. **Size of Site:** 7,500 square feet.
3. **Existing Zoning (site):** "R1-60" One-Family Low Density Residential District, "GGP" Gambling Games Prohibition Overlay District, and "FSO" Freestanding Sign Overlay District.
4. **Existing Land Use (site):** The property contains an unoccupied residential dwelling which was originally built as a two-family dwelling circa 1900.
5. **Adjacent Land Use and Zoning:**
 - North** – "R1-60", "GGP", & "FSO"; Use is vacant parcel.
 - South** – "R1-60", "GGP" & "FSO"; Use is off-street parking for multiple-family dwelling.
 - East** – "R1-60", "GGP", & "FSO"; Use is single-family dwelling.
 - West** – "R1-60", "GGP", & "FSO"; Use is single-family dwelling.
6. **General Neighborhood/Area Land Uses:** The subject property is located in a mixed-density residential area just north of the I-235 freeway. The area was originally developed primarily with one and two-family dwellings and some scattered commercial buildings and multiple-family dwellings.

7. **Applicable Recognized Neighborhood(s):** The subject property is located in the Capitol Park Neighborhood. This neighborhood association was notified of the meeting by mailing of the Preliminary Agenda to all recognized neighborhood associations on July 17, 2015. Additionally, separate notifications of the hearing for this specific item were mailed on July 17, 2015 (20 days prior to the hearing) and July 27, 2015 (10 days prior to the hearing) to the Capitol Park Neighborhood Association and to the primary titleholder on file with the Polk County Assessor for each property within 250 feet of the requested rezoning. A Final Agenda for the meeting was mailed to all the recognized neighborhood associations on July 31, 2015.

All agendas and notices are mailed to the primary contact person designated to the City of Des Moines Neighborhood Development Division by the recognized neighborhood association. The Capitol Park Neighborhood Association notices were mailed to Chelsea Lepley, 1253 East 12th Street, Des Moines, IA 50316.

8. **Relevant Zoning History:** The City Council rezoned the subject property on May 15, 2000 by Ordinance No. 13,821. This was done as part of an overall down-zoning of the Capitol Park Neighborhood area from "R-3" to "R1-60".

On October 31, 2014 the Neighborhood Inspection Division documented that the property was vacant and needed to be secured. The property subsequently lost non-conforming rights for use as a four unit dwelling. The most recent rental certificate was issued for two units of four units in the dwelling on September 23, 2010. This certificate expired in 2013.

9. **2020 Community Character Land Use Plan Designation:** Low Density Residential.

10. **Applicable Regulations:** The Commission reviews all proposals to amend zoning boundaries or regulations within the City of Des Moines. Such amendments must be in conformance with the comprehensive plan for the City and designed to meet the criteria in 414.3 of the Iowa Code, and taking into consideration the criteria set forth in Chapter 18B of the Iowa Code. The Commission may make recommendations to the City Council on conditions to be made in addition to the existing regulations so long as the subject property owner agrees to them in writing. The recommendation of the Commission will be forwarded to the City Council.

II. ADDITIONAL APPLICABLE INFORMATION

1. **2020 Community Character Plan:** The City Council along with the Capitol Park Neighborhood worked to downzone the neighborhood from "R-3" to "R1-60" in 2000. This was in an effort to reduce densities in the neighborhood as part of the implementation of the Capitol Park Neighborhood Plan which designated the future land use for the subject property to Low Density Residential a few years prior to the adoption of the Des Moines 2020 Community Character Plan in 2000.

At that time the subject property was one of many conversions in the neighborhood. It was configured as a four unit dwelling at that time from its original construction as a two-family dwelling. Since it was a four unit dwelling with substandard lot area and width it was included with the downzoning as it was already considered non-conforming in the

"R-3" District. Two-family dwellings which existed prior to 1996 were considered permitted uses in "R1-60".

The owner is seeking to return the dwelling to its original two-family configuration. Staff believes this is consistent with the intent of the Capitol Park Neighborhood Plan to prevent conversions and reduce densities. This would be within the character of the existing "R1-60" District which permitted two-family dwellings which existed prior to 1996. In this instance, the owner would still require appeals of the minimum lot area and width for a two-family dwelling in an "R-2" District. The future land use designation would have to be amended to Low/Medium Density residential to allow for the requested rezoning.

SUMMARY OF DISCUSSION

Jonathan Rosenbloom asked about the nonconforming aspect of the site.

Mike Ludwig stated the structure was originally built as a duplex. At one point it was converted it to four units. The zoning code then changed to prohibit certain number of units per building. The owner lost conforming rights as a four unit building because it went vacant. Now the owner is proposing to take this building back to two units which was what the building was originally constructed for. Staff is recommending "R-2" district zoning because it is the only district in the City that currently allows a duplex.

Will Page stated this building is a very nice brick double house, which is a common duplex in the earlier 20th century, so it is an appropriate function historically for the neighborhood.

Greg Jones asked if anyone was present to speak on this item. None were present or requested to speak.

COMMISSION ACTION:

Greg Wattier moved staff recommendation Part A) that the proposed rezoning be found not in conformance with the existing Des Moines' 2020 Community Character Plan existing future land use designation of Low Density Residential, Part B) for approval of an amendment to the Des Moines' 2020 Community Character Plan to revise the existing future land use designation Low Density Residential to Low/Medium Density Residential, and Part C approval of rezoning to "R-2" Two-Family Residential District subject to restoration of the building to its originally designed two-family configuration.

Motion passed 11-0.
