RE: Kemin - Portion of Vacated SE 20<sup>th</sup> Street and Lots 2, and 3, Charter Oak Addition Conveyance

City of Des Moines City Council:

Please accept this request to waive the three required readings of the ordinance to vacate the above referenced City right-of-way. We are requesting a waiver so that we are able to complete our permanent fencing in this area as soon as the adjacent E. Martin Luther King Jr. Parkway construction is ready. We currently have temporary construction fencing in place which has been an ongoing security concern. This will also allow for the installation of a permanent access gate for the City to access the adjacent maintenance easement area on Kemin's property and for the construction of a wellness path along the perimeter of our campus.

Thank you.

Sincerely,

Matthew Madison
