Regarding: In light of the recent fatal traffic accident on 35th street, I would like to request that the City Council add to the agenda of putting in traffic circles along 35th street between Ingersoll and Kingman Blvd. As a resident that lives on 35th street, I have complained of excessive speeding along the street previously and the DMPD performed traffic enforcement without improvement to excessive speeding. Numerous children and residents use the sidewalks along 35th street and should not have to be in fear of being ran over by an out of control speeding car.
