WHEREAS, the City and 7&Grand intended that the sale include all the easement areas within the adjoining street rights-of-way required for the construction of the planned parking garage; and,

WHEREAS, an additional easement for subsurface encroachments into the adjoining High Street right-of-way is required for the construction of the footings and foundation for the planned parking garage, as set for in the proposed Easement for Building Encroachments which is on file and available for inspection in the office of the City Clerk; and,
