Dear City Council Members,

Nadine Hogate has been an active participant in the neighborhood revitalization process for decades. She lived and was active in the Capitol East neighborhood; one of the first neighborhoods Neighborhood Finance Corporation (NFC) provided financing in 1991. I personally recall her involvement in the Stewart Park improvements that transformed a gateway to the Capitol Park neighborhood.

Nadine has served on NFC's Board of Directors for over 10 years, but more importantly has championed neighborhood improvements and revitalization in her neighborhood, for the east side, and throughout the City of Des Moines.

In recognition of Nadine's service, NFC would like to have the shelter at the Redhead Park renamed to the Nadine Hogate Shelter. Nadine's term on the NFC Board of Directors will be complete on June 30, 2016. We all know that our success is because of champions like Nadine and I believe this is an appropriate recognition of her service.

Thank you for your consideration,

Re: Nadine Hogate

To Whom It May Concern:

Nadine Hogate is a legend in the neighborhood movement. By the time I became involved with Capitol Park Neighborhood, Nadine had been involved for years in Capitol East Neighborhood. When trying to learn what was all involved in a neighborhood, I was told that if I wanted something done to talk to Nadine. If she believed in something strong enough, there was nothing that would hold Nadine back from getting it accomplished.

If a meeting had anything to do with neighborhood issues, you could always count on her being in attendance.

She is a pillars in the neighborhood movement and very much respected. Nadine Hogate will be remembered when the east side neighborhoods are mentioned.

As a member of the Neighborhood Finance Corporation Board of Directors, I know that she has been key to their success over the past 26 years.

Sincerely,

Marge Ramsey, Board Member
Neighborhood Finance Corporation
