RE: Our Claim Number: 15-897B-015  
Date of Loss: June 10, 2016  
Our Insured: Debra Mealey  
Loss Location: 2045 Maple Street  
Des Moines, IA 50317

Dear City Council:

The property at 2045 Maple Street sustained fire damage on the above-referenced date of loss. We have received a proof of loss for a sum exceeding 75% of the value of the policy. Iowa law requires fire and casualty companies to hold a demolition cost reserve under such circumstances. In general, insurers must reserve \$10,000.00 or 10% of the payment, whichever is greater, to cover demolition costs under the circumstances if:

- A. The property without repairs is uninhabitable or unfit for its purpose.
- B. The property owner has submitted a proof of loss for a sum exceeding 75% of the face value of the policy.

Therefore, to be in compliance with Iowa Statute Section 515.139, I am notifying you that a reserve for demolition costs will be withheld.

It is my understanding that the City shall release all interest in the demolition cost reserve within 180 days after receiving notice of the existence of the demolition cost reserve unless the City has instituted legal proceedings for the demolition of said building and has notified the insured in writing of the institution of such legal proceedings. Failure of the City to notify the insured of such legal proceedings shall terminate the City's claim to any proceeds from the reserve.

A reserve for demolition cost shall no longer be required if:

- A. The insurer has received notice from the insured and the City Council that the insured has commenced repairs to the properties or has commenced demolition of the property.
- B. The City has failed to notify the insurer as provided above.

If the City is required to demolish the damaged property at City expense after instituting legal proceedings, emergency actions, or obtaining waivers for the demolition of the building or other insured structure, the City shall present to the insurer the actual costs of the demolition of the property, including engineering, legal and other demolition project costs, and the insurers shall compensate the City for the actual cost of the demolition project up to the amount in a demolition cost reserve. Any amount left from the demolition cost reserve after the cost of demolition of the property is paid to the City, shall be to the insured if the insured is entitled to the remaining proceeds under the policy. The insurer is not liable for any amount in excess of the limits of the liability set out by the policy.

This letter is notice of our compliance with Iowa law.

Should you have questions regarding any of the above, please feel free to contact me at the number below or e-mail me.

Sincerely,
