STAFF REPORT TO THE PLANNING COMMISSION

I. GENERAL INFORMATION

1. **Purpose of Request:** The applicant is seeking to allow an illegal expansion of a previously legal non-conforming garage for general motor vehicle repair (d/b/a EZ Llantera Tire Shop) into property located at 2348 East Grand Avenue. The property at 2354 East Grand Avenue lost legal non-conforming rights at a point in time when the business activities extended into additional residentially zoned property to the west.
2. **Size of Site:** 120-foot by 130-foot (15,600 square feet).
3. **Existing Zoning (site):** "R1-60" One-Family Low-Density Residential District and "FSO" Freestanding Sign Overlay District.
4. **Existing Land Use (site):** The property known as 2354 East Grand Avenue includes a one-story 2,434-square foot repair garage and paved aprons. The property known as 2348 East Grand Avenue is unimproved but has evidence of vehicular circulation and storage.
5. **Adjacent Land Use and Zoning:**
 - East** - "R1-60"; Uses are fire damaged, vacant commercial building and single-family dwellings.
 - West** - "R1-60"; Uses are single-family dwellings.
 - North** - "R1-60"; Uses are single-family dwellings.

South - "R1-60"; Uses are single-family dwellings.

6. **General Neighborhood/Area Land Uses:** The subject property is located in an area that is developed primarily with single-family residential use with scattered, older commercial structures.
7. **Applicable Recognized Neighborhood(s):** The subject property is located within the Fairground Neighborhood. All neighborhood associations were notified of the meeting by mailing of the Preliminary Agenda on July 1, 2016. Additionally, separate notifications of the hearing for this specific item were mailed on July 1, 2016 (20 days prior to the August 4th hearing) and July 11, 2016 (10 days prior to the August 4th hearing) to the primary titleholder on file with the Polk County Assessor for each property within 250 feet of the requested rezoning. A Final Agenda for the meeting was mailed to all the recognized neighborhood associations on July 15, 2015 and on August 12, 2016.

The Fairground Neighborhood Association mailings were sent to Sharon Cooper, 2838 Logan Avenue, Des Moines, IA 50317.

The applicant held their neighborhood meeting on July 26, 2016. A summary of the neighborhood meeting will be provided at the hearing.

8. **Relevant Zoning History:** N/A.
9. **PlanDSM Land Use Plan Designation:** Low Density Residential.
10. **Applicable Regulations:** The Commission reviews all proposals to amend zoning boundaries or regulations within the City of Des Moines. Such amendments must be in conformance with the comprehensive plan for the City and designed to meet the criteria in 414.3 of the Iowa Code, and taking into consideration the criteria set forth in Chapter 18B of the Iowa Code. The Commission may make recommendations to the City Council on conditions to be made in addition to the existing regulations so long as the subject property owner agrees to them in writing. The recommendation of the Commission will be forwarded to the City Council.

II. ADDITIONAL APPLICABLE INFORMATION

1. **PlanDSM Creating Our Tomorrow:** The future land use designation for the property is currently Low Density Residential, which is defined as areas developed primarily with a single-family and two-family residential units up to 6 units per net acre. The proposed rezoning would require an amendment to the Neighborhood Mixed Use designation. This designation accommodates small scale mixed use development typically located at the intersections of collector and arterial streets and along transportation corridors. Non-residential development is designed to serve the immediate neighborhood and include small retail, offices, restaurants, and service-oriented development. Development in this classification could have a large impact on adjoining low density residential properties and the environment which would need to be mitigated.

The proposed Neighborhood Mixed Use designation would be surrounded by remaining Low Density Residential designation. While there are other existing commercially zoned properties within a few blocks, the PlanDSM designates this area for Low Density Residential. The Plan does not contemplate adding additional commercial use or development in the immediate area. Therefore, staff does not believe that either the proposed amendment to the PlanDSM future land use designation or the proposed rezoning to an "C-2" General Retail and Highway-Oriented Commercial District are appropriate given the recent adoption of PlanDSM.

- 2. Additional Information:** The subject property has an enforcement history dating back to 2002 that includes violations such as storage of inoperable vehicles, storage of junk/debris vehicle parking and storage on unpaved surfaces or on adjoining Right-Of-Way. There have also been several impounds of vehicles from the property in that time. In 2015, the City initiated legal proceedings against the property. This process is still pending awaiting further filings. The applicant has sought the remedy to rezone in the interim. Should the property be rezoned for allowance of the vehicle repair shop use, the illegal expansion has already triggered the subsequent need for Site Plan compliance for the entire site with the Permit and Development Center.

If the Commission is to recommend approval of the requested comprehensive plan amendment and rezoning, staff recommends that it be made subject to the following:

- 1. Any Site shall be brought into full conformance and kept in accordance with an approved Site Plan under requirements as applicable to "C-2" Districts, including landscaping and paving requirements, within one year of the approval of the rezoning.*
- 2. Any buildings on site shall be kept in good repair to the satisfaction of the Zoning Enforcement Officer and Neighborhood Inspections Division Administrator.*
- 3. There shall not be storage of more than two (2) unlicensed or inoperable vehicles outside of a building.*
- 4. No unlicensed or inoperable vehicles or vehicles awaiting repair associated with any business on the property shall be parked or stored on the surrounding public street network.*
- 5. Only the following uses as in "C-2" District shall be permitted:*
 - a) Automobile washing and detailing establishments.*
 - b) Carpenter and Cabinetmaking shops for retail custom work*
 - c) Garage for general motor vehicle repair, but not including body and fender work and overall painting and steam cleaning.*
 - d) Plumbing and Heating shops*
 - e) Printing and Lithographing shops*
 - f) Sheetmetal shops*

6. In addition, uses as in the "C-1" District shall be permitted, except the following uses shall be prohibited:

- a) Assembly uses
- b) Bakeries
- c) Boarding houses and rooming houses
- d) Colleges and universities
- e) Correctional placement residences
- f) Dance studios
- g) Delicatessens
- h) Department stores with more than 30,000 square feet of gross floor area
- i) Gas stations/convenience stores
- j) Multiple-family residential dwellings
- k) Nursing, convalescent, and retirement homes
- l) Radio stations
- m) Restaurants
- n) Shelters for the homeless
- o) Theaters
