Regarding: I would like to speak to council because I have questions regarding liquor licensing. I have some concerns and I'm frustrated on the councils lack of knowledge and information about what's going on in this city at establishments serving alcohol with recent violent crimes. It's not 1 or 2 or 5 it's alot and obviously what police and council are doing isn't working. Lack of knowledge of crimes, not following up on bars on agreements.. Des Moines is changing and the city needs to acknowledge this, stop fighting it and make some changes.
