WHEREAS, on December 19, 2016, by Roll Call No. 16-2189, the City Council approved a Development Agreement for a 276-unit multifamily housing project at 701 Walnut Street; and,

WHEREAS, the project has been revised to include an increase in building height and the addition of approximately 20% affordable housing units which increased project costs and has resulted in different financing proposals; and,

WHEREAS, the City Manager has negotiated a proposed First Amendment to the Development Agreement requiring developer to modify the project in exchange for different financing; and,

WHEREAS, on July 25, 2017, the Urban Design Review Board at its regular meeting reviewed the proposed First Amendment to the Development Agreement and a consensus of the members recommend approval of the amendment.

NOW THEREFORE, BE IT RESOLVED, by the City Council of the City of Des Moines, Iowa, as follows:

1. The City Council hereby makes the following findings in support of the proposed Agreement with the Developer:
 - a) The Developer's obligations to construct the Improvements as provided by the Agreement furthers the objectives of the Urban Renewal Plan to provide additional housing, employment opportunities and tax base in the Metro Center Urban Renewal Project Area, and to preserve and create an environment which will protect the health, safety and general welfare of City residents.
 - b) The economic development incentives for the creation of the employment opportunities and development of the Improvements are provided by the City to Developer pursuant to the Urban Renewal Law and Chapter 15A of the Code of Iowa, and Developer's obligations under this Agreement to construct the Improvements will generate the following public gains and benefits: (i) it will advance the improvement and redevelopment of the Metro Center Urban Renewal Area in accordance with the Urban Renewal Plan; (ii) it will encourage further private investment to reverse the pattern of disinvestment and declining property values in the surrounding area; and, (iii) it will further the City's efforts to retain and create job opportunities within the Urban Renewal Area which might otherwise be lost.
 - c) The construction of the Improvements is a speculative venture and the construction and resulting benefits would not occur without the economic incentives provided by this Agreement.
