**RESOLUTION CONTINUING HEARING ON REQUEST FROM
BRIAN JOHNSON TO REZONE PROPERTY LOCATED AT 1916 DEAN AVENUE**

WHEREAS, on July 24, 2017, by Roll Call No. 17-1240, the City Council received a communication from the City Plan and Zoning Commission advising that at a public hearing held on July 6, 2017, its members voted 13-0 in support of a motion to recommend **APPROVAL** of a request from Brian Johnson (owner) to rezone property located at 1916 Dean Avenue (“Property”) from “R1-60” One-Family Low-Density Residential District to Limited “M-1” Light Industrial District, to allow the split-zoned Property to be used legally for the owner’s existing roofing contractor business, subject to conditions stated in said Roll Call; and

WHEREAS, on July 24, 2017, by Roll Call No. 17-1240, it was duly resolved by the City Council that the application of Brian Johnson to rezone the Property, legally described as follows, be set down for hearing on August 14, 2017 at 5:00 p.m. in the Council Chambers at the Municipal Service Center:

(Except the South 206 feet) The West 148.25 feet of Lot 21 of the OFFICIAL PLAT OF THE NORTHEAST 1/4 OF SECTION 2 - TOWNSHIP 78 - RANGE 24, all now included in and forming a part of the City of Des Moines, Polk County, Iowa; and

WHEREAS, due notice of said hearing was published in the Des Moines Register, as provided by law, setting forth the time and place for hearing on said proposed amendment to the Zoning Ordinance; and

WHEREAS, on August 14, 2017, by Roll Call No. 17-1425, said hearing was opened and continued to the August 28, 2017 Council meeting in order to obtain the Acceptance of Rezoning Ordinance from the applicant and/or to resolve any concerns related thereto; and

WHEREAS, following said continuance, it was determined by the applicant and Community Development Department staff that the proposed rezoning contained a condition limiting the use of the Property in a manner that is not consistent with the applicant’s planned use of the Property as a vehicle display lot; and

WHEREAS, the applicant and City staff have agreed that the hearing should be continued in order to resubmit the request for rezoning to the Plan and Zoning Commission on September 7, 2017, and to republish notice of the hearing to correctly identify the proposed use of the Property, and thus City staff recommends a continuation of the public hearing to the September 25, 2017 Council meeting.

NOW, THEREFORE, BE IT RESOLVED, by the City Council of the City of Des Moines, Iowa, that:

4. Any development of the property under a Site Plan shall comply with the City's Landscaping Standards as applicable in the "C-2" General Retail and Highway Oriented Commercial District.

STAFF REPORT TO THE PLANNING COMMISSION

I. GENERAL INFORMATION

1. **Purpose of Request:** The rezoning would allow the property to be used legally for the owner's roofing contractor business. The applicant is seeking to remove the existing single-family dwelling on the property and continue to the use a garage and shop warehouse building in association with the business. An accessory garage cannot be allowed to stand alone on a residentially zoned property. Furthermore, the applicant is

17-1425

67
52

seeking to bring an existing shop/warehouse building into conformance with current Code.

- 2. **Size of Site:** 10,155 square feet for the rezoning area. The overall site is 40,552-square feet.
- 3. **Existing Zoning (site):** "R1-60" One-Family Low-Density Residential District and "FSO" Freestanding Signs Overlay District.
- 4. **Existing Land Use (site):** The overall property is comprised of a 40,552-square foot parcel containing a 6,180-square foot metal shop building used for the applicant's vehicle and equipment repair business. The northern portion of the building is within the residentially zoned portion of the parcel, which is the subject of the rezoning.

5. **Adjacent Land Use and Zoning:**

North – "R1-60", Uses are single-family dwellings.

South - "M-1", Use is Des Moines Public Schools Operations Center.

East – "R1-60", Use is Northern Lights Pizza offices and warehouse.

West – "M-1", Use is Deever Roofing contractor business.

- 6. **General Neighborhood/Area Land Uses:** The subject property is located in a transition area between the Dean Avenue industrial corridor and the Capitol East residential neighborhood to the north.

- 7. **Applicable Recognized Neighborhood(s):** The subject property is located within the Capitol East Neighborhood. The neighborhood was notified of the original meeting by mailing of the Preliminary Agenda to all recognized neighborhoods on June 16, 2017. Additionally, separate notifications of the hearing for this specific item were mailed on June 16, 2017 (20 days prior to the hearing) and June 26, 2017 (10 days prior to the hearing), to the neighborhood association and to the primary titleholder on file with the Polk County Assessor for each property within 250 feet of the site. A Final Agenda for the meeting was mailed to all the recognized neighborhood associations on June 30, 2017.

All agendas and applicable notices are mailed to the primary contact(s) designated by the recognized neighborhood association to the City of Des Moines Neighborhood Development Division. The Capitol East Neighborhood Association mailings were sent to Jack Leachman, 1921 Hubbell Avenue, Des Moines, IA 50316.

The applicant will be able to provide a summary of their neighborhood meeting at the hearing.

- 8. **Relevant Zoning History:** N/A.

- 9. **PlanDSM: Creating Our Tomorrow Plan Land Use Plan Designation:** Industrial.

10. Applicable Regulations: Taking into consideration the criteria set forth in Chapter 18B of the Iowa Code, the Commission reviews all proposals to amend zoning boundaries or regulations within the City of Des Moines. Such amendments must be in conformance with the comprehensive plan for the City and designed to meet the criteria in 414.3 of the Iowa Code. The Commission may make recommendations to the City Council on conditions to be made in addition to the existing regulations so long as the subject property owner agrees to them in writing. The recommendation of the Commission will be forwarded to the City Council.

II. ADDITIONAL APPLICABLE INFORMATION

1. PlanDSM: Creating Our Tomorrow Plan Land Use Plan Designation: The subject property is designated as Industrial. Therefore, the proposed rezoning to "M-1" Light Industrial District is in conformance with the future land use plan. Staff believes that it would be appropriate to legitimize the existing vehicle and equipment repair business where there the zoning boundary transects the existing industrial building. This is so long as the permitted uses of the property are limited, prohibiting the following uses: adult entertainment businesses, vehicle display lots, taverns or nightclubs, liquor stores, off-premises advertising signs, pawn brokers, and delayed deposit services.

Staff believes that the use would present minimal impacts on the surrounding residential properties so long as any outdoor storage on the property complies with a Site Plan approved under provisions in the "M-1" District for a contractor equipment storage yard.

2. Permit and Development Center Comments: Any construction or change of use on the site must be in compliance with the City's Site Plan regulations, including those regarding storm water management; off-street parking grading and soil erosion protection; tree removal and mitigation; landscaping and buffering; pavement design; and traffic and fire access.

3. Landscaping & Buffering: Any development of the site would require landscaping in accordance with the City's Landscape Standards. These standards generally include open space, bufferyard, and parking lot plantings. Staff believes that if the property is rezoned to "M-1" District, any future development or reuse of the site should be in compliance with the landscaping requirements for the "C-2" District to ensure compatibility with the surrounding neighborhood. Staff notes that any future Site Plan would be required to provide a minimum of a 7-foot landscaped paving setback along the front property line.

Future development of the site would also be subject to the City's Tree Removal and Mitigation Ordinance (Section 42-550 of the City Code).

4. Drainage/Grading: Any additional development of the site must also comply with the City's Stormwater Management requirements to the satisfaction of the City's Permit and Development Center. All grading is subject to an approved grading permit and soil erosion control plan.

17-1425
52

5. **Utilities:** There is an existing 8-inch water main in the East 19th Court Right-Of-Way. There is also public sanitary sewer in East 19th Court and there is public storm sewer within the private property the west with intakes available in Dean Avenue just to the west of the subject property.
6. **Access or Parking:** The site has two existing access drives to East 19th Court and Dean Avenue. There is also non-conforming parking with maneuvering/backing from the subject property into East 19th Court. Any Site Plan for the property would require paving of all parking and maneuvering aisles.
