Kris--I have cc'd Diane Rauh on this and am asking her to put on the agenda for 10/9. Anyone that requests to speak on an issue will have 5 minutes and you are timed. See you Monday!

Chris – This year I was selected as one of the inaugural members of the Iowa Walking College – an effort by the Iowa Healthiest State Initiative. The application required the support of the city, which staff was kind enough to provide for me. I have been one of 15 members from across the state this year focusing on increasing walkability in our communities, as well as attending the National Walking Summit last month.

One of our final requirements is to speak to our City Council about the statewide effort and local initiatives. Could you add me to the October 9th agenda for about a 5 minute summary?

Thanks much.
