**APPROVING REVISED SITE BOUNDARY FOR THE MUNICIPAL SERVICES CENTER -
PHASE 2 PROJECT AND ACCEPTANCE OF REAL ESTATE DOCUMENTS FOR
VOLUNTARY ACQUISITION OF PROPERTY LOCATED AT 1700 MAURY STREET FROM
S & P PROPERTIES, L.C. FOR THE MUNICIPAL SERVICES CENTER – PHASE 2 PROJECT**

WHEREAS, by Roll Call No. 17-0828, on May 8, 2017, the City Council of the City of Des Moines, Iowa, authorized City staff to proceed with acquisition of the necessary property interests for the Municipal Services Center – Phase 2 Project by gift, negotiation, or eminent domain; and

WHEREAS, S & P Properties, L.C. owns the industrial property located at 1700 Maury Street and the City’s Real Estate Division has reached a negotiated settlement for the voluntary acquisition of such property for \$3,000,000.00, which price reflects the estimated fair market value of the property based on independent appraisals obtained by both parties; and

WHEREAS, the City will be responsible for paying relocation costs to Helena Chemical Company in order to terminate their lease early and to relocate their warehouse operation to a new location, and S & P Properties, L.C. is solely responsible for the termination of all other leases and any relocation costs for all other tenants prior to closing; and

WHEREAS, the City’s acceptance of this property will allow the site boundary for the Municipal Services Center – Phase 2 Project to shift to the east, which will eliminate or reduce the acquisition needs from several other property owners that were previously identified for acquisition along the west side of the original site boundary; and

WHEREAS, the Real Estate Division of the Engineering Department recommends approval of this voluntary property acquisition and for authorization to proceed with acquisition of the remaining properties required for the revised site boundary at this time, which will allow the City to have the entire project site available for construction of the full build-out of the Municipal Services Center – Phase 2 Project when needed; and

WHEREAS, independent appraisals will be obtained for the remaining properties needed for the entire Phase 2 site boundary and the appraised values will be submitted to the City Council, or City Manager, as applicable, for approval of fair market values and authorization to proceed with acquisition of said additional properties.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Des Moines, Iowa, that the following documents conveying a fee simple property interest to the City, recommended for approval and acceptance by the Real Estate Division of the Engineering Department and on file in the office of the City Clerk, be and are hereby approved and accepted as follows:
