| | Agenda Item No. 46 54 Roll Call No. [18-0306] Communication No. 18-077 Submitted by: Pamela S. Cooksey, P.E., City Engineer |

AGENDA HEADING:

Amending Chapter 114 of the Municipal Code regarding traffic regulation changes as follows:

- A. Parking restrictions on 48th Street from University Avenue to Franklin Avenue.
- B. Allow angle parking on East Hillside Avenue, Murphy Street, East Shaw Street, and 23rd Street to match field conditions.
- C. Reduction of certain hourly and maximum rates in City-owned parking garages as part of the City's downtown parking strategy.

SYNOPSIS:

Recommend approval of the staff recommendations and the ordinance regarding the traffic regulation changes.

FISCAL IMPACT:

Amount: Minor costs for sign installations.

Funding Source: 2017-18 Operating Budget, Page 78 Engineering Department Traffic and Transportation—Sign Installation and Maintenance, EG062080

ADDITIONAL INFORMATION:

- A. Based on a request by Waveland Park Neighborhood Association to slow speeds on 48th Street between University Avenue and Franklin Avenue, staff worked with the Neighborhood Association on ideas to slow the traffic speeds, including modifying the side of the street where on-street parking is allowed. Currently, all on-street parking is on the west side of 48th Street. Changing the side of the street where parked cars are allowed at each block will cause drivers to modify their travel path and hopefully result in slower travel speeds.

Staff provided the Neighborhood Group with a petition that included the 128 properties along 48th Street. Several attempts were made by the Neighborhood Group to talk with everyone on the list, but several owners were not home or did not answer the door. The Neighborhood Group did collect 72 signatures in approval (56%) and talked with three property owners not in support. There were also two property owners who contacted Traffic & Transportation prior to the Transportation Safety Committee meeting that were also not in support.

At the January 2018 Transportation Safety Committee meeting, staff recommended the modification to the parking restrictions as shown on the map, and the Committee voted to support the staff recommendation 8-0.
