STAFF RECOMMENDATION

Part A) Staff recommends that the Commission find the requested rezoning not in conformance with PlanDSM: Creating Our Tomorrow Plan.

Part B) Staff recommends denial of the request to amend the existing PlanDSM Creating Our Tomorrow future land use designation from Neighborhood Mixed Use to Community Mixed Use.

Part C) Staff recommends denial of the requested rezoning from Limited "C-2" General Retail and Highway-Oriented Commercial District to a Limited "C-2" District that allows packaged liquor sales as part of a Limited Retail/Food Sales use or Gas Station/Convenience Store Use.

STAFF REPORT TO THE PLANNING COMMISSION

I. GENERAL INFORMATION

1. Purpose of Request: On April 16, 1990, by Ordinance No. 11,463, the City Council rezoned the subject property to Limited "C-2" District subject to uses being restricted to those allowed in the "C-1" District and used car sale lots. The applicant is proposing to convert the existing 3,218 square foot, auto sales and service building to a limited retail/food sales business with packaged liquor sales.

Liquor sales is not allowed in the "C-1" District. It is a Conditional Use in the "C-2" District. The proposed rezoning would add the proposed use to the current list of allowed uses. Should the proposed rezoning be approved, the applicant would be required to obtain a Conditional Use Permit from the Zoning Board of Adjustment.

- 2. Size of Site: 0.55 Acres (23,965 square feet).
- 3. Existing Zoning (site): Limited "C-2" General Retail and Highway-Oriented Commercial District, "VDL" Vehicle Display Lot Overlay District, "FSO" Freestanding Sign Overlay District and "GGP" Gambling Games Prohibition Overlay District.
- 4. Existing Land Use (site): Vacant used car sales lot.

5. Adjacent Land Use and Zoning:

North – "C-1", Use is a vacant convenience store building.

South - "C-1", Use is a single-family dwelling.

East - "C-1" and "R1-60", Uses are single-family dwellings.

West - "R1-60", Uses are single-family dwellings.

- **6. General Neighborhood/Area Land Uses:** The subject property is located along the East 14th Street / U.S. Highway 69 corridor at the Guthrie Avenue intersection. The area consists of limited commercial uses at the intersection surrounded by single-family dwellings.
- 7. Applicable Recognized Neighborhood(s): The subject property is located in the Union Park Neighborhood. The neighborhood was notified of the public hearing held on May 17, 2018 by mailing of the Preliminary Agenda for the May 17, 2018 meeting on May 27, 2018. Additionally, separate notifications of the hearing for this specific item were mailed on April 27, 2018 (20 days prior to the May 17, 2018 hearing) and May 7, 2018 (10 days prior to the May 17, 2018 hearing) to the neighborhood association and to the primary titleholder on file with the Polk County Assessor for each property within 250 feet of the site. A Final Agenda for the May 17, 2018 hearing was mailed to the neighborhood on May 11, 2018. A Final Agenda for the June 7, 2018 hearing was mailed on June 1, 2018.

All agendas and notices are mailed to the primary contact person designated to the City of Des Moines' Neighborhood Development Division by the recognized neighborhood association. The Union Park Neighborhood Association mailings were sent to Jack Daugherty, PO Box 16113, Des Moines, IA 50316.

- 8. Relevant Zoning History: On April 16, 1990, by Ordinance No. 11,463, the City Council rezoned the subject property to Limited "C-2" District subject to uses being restricted to those allowed in the "C-1" District and used car sales lot use.
- 9. PlanDSM Future Land Use Plan Designation: Neighborhood Mixed Use.
- 10. Applicable Regulations: Taking into the consideration of the criteria set forth in Chapter 18B of the Iowa Code, the Commission reviews all proposals to amend zoning boundaries or regulations within the City of Des Moines. Such amendments must be in conformance with the comprehensive plan for the City and designed to meet the criteria in 414.3 of the Iowa Code. The Commission may make recommendations to the City Council on conditions to be made in addition to the existing regulations so long as the subject property owner agrees to them in writing. The recommendation of the Commission will be forwarded to the City Council.

II. ADDITIONAL APPLICABLE INFORMATION

1. PlanDSM Creating Our Tomorrow: The subject property is designated as "Neighborhood Mixed Use" on the Future Land Use Map. Plan DSM describes this designation as follows: Small scale mixed use development typically located at the intersections of collector and/or arterial streets and along transportation corridors. Non-residential development is designed to serve the immediate neighborhood and include small retail, office, restaurants, and service oriented development. Low-medium density residential may be included in mixed use development.

The East 14th Street and Guthrie Avenue intersection contains a minor cluster of commercial properties. The two commercial properties north of Guthrie Avenue are zoned "C-1" Neighborhood Retail Commercial District. The properties at the southeast corner of the intersection are zoned "C-1" District and contain single-family dwellings. The "C-1" District does not allow packaged liquor sales.

Staff believes that the proposed limited "C-2" District in not in conformance with the Neighborhood Mixed Use designation. The proposed packaged liquor sales business is a high impact use. The site is adjoined by six residential properties. These lots are small and the dwellings have minimal separation from the subject property. Staff believes that the proposed rezoning would have a negative impact on the surrounding area.

2. Site Plan Requirements: Any future development of the site must conform to the City's Site Plan requirements, including those regarding stormwater management, landscaping, and screening of adjoining residential properties. All grading is subject to an approved grading permit and soil erosion control plan.

SUMMARY OF DISCUSSION

Erik Lundy presented the staff report and recommendation.

Jacqueline Easley asked if the applicant was present?

Erik Lundy stated the applicant nor the applicant's representative are present.

CHAIRPERSON OPENED THE PUBLIC HEARING

Marsha Steele asked if neighbors should be present at the City Council meeting?

<u>Jacqueline Easley</u> advised if the commission approves the denial, it would take a 6/7 vote from City Council to overturn.

Sue Wadley, 2213 E 14th asked when the decision will be made?

Glenna Frank advised there will be an action to set the hearing date at the June 25th City Council meeting and anticipates the hearing being held on, July 9th.

Will Page noted there is a Council item on the June 11 agenda about Triple Double's request to surrender their liquor license. The neighbors may have an interest in that as well.

CHAIRPERSON CLOSED THE PUBLIC HEARING

COMMISSION ACTION:

Dory Briles made a motion for approval of Part A) the Commission find the requested rezoning **not in conformance** with PlanDSM: Creating Our Tomorrow Plan, Part B) **Denial** of the request to amend the existing PlanDSM Creating Our Tomorrow future land use designation from Neighborhood Mixed Use to Community Mixed Use and Part C) **Denial** of the requested rezoning from Limited "C-2" General Retail and Highway-Oriented Commercial District to a Limited "C-2" District that allows packaged liquor sales as part of a Limited Retail/Food Sales use or Gas Station/Convenience Store Use.

June 22, 2018

To the Des Moines City Council

Union Park Neighborhood Association (UPNA) opposes the rezoning of the property at 2216 East 14th Street.

On May 8, 2018, thirty six neighborhood residents had a 45 minute civil conversation with Loyd Ogle and Utkarsh Mahajan at a public meeting concerning the proposal to rezone the property at 2216 East 14th Street. The meeting of the Union Park Neighborhood Association Steering Committee was then called to order. A show of hands in the room showed no one supported the request. The Steering Committee took a formal vote and unanimously voted to not support the rezoning request at 2216 East 14th Street and a letter was emailed to the Plan and Zoning Commission.

At the May 27th Plan and Zoning meeting, when this issue was first discussed, UPNA spoke in opposition to the rezoning. The Commission was presented with letters that supported UPNA's opposition from Northeast Neighbors, Northeast Neighbors and Friends, and Grays Woods Neighborhood Association. Additionally, at that meeting, two dozen residents spoke in opposition to the rezoning. All this is on file with Community Development.

Since the old Quick Trip across the street from 2216 East 14th closed early this year, the nearby residents have noticed that traffic has calmed for blocks around that node, the problems with trash and noise have lessened and strange activity on the sidewalks in the area have reduced. This is a residential area and a convenience store is not consistent with the character of the neighborhood and it is not wanted or needed by the residents and would not be an asset to the neighborhood.
