Subject: Agenda requests

I'd like to have two council agenda items added to the agenda for Monday:

- Discussion and referral to the City Manager for development of a updated policy regarding charges from the city on the County and School District for building projects and and other community improvement projects. Specifically, consideration of a fee-waver for jurisdictions that serve the same citizens; such that we had until the early 2000's.
- A request for a staff/Council/citizen committee, that the Mayor shall appoint based on Council members recommendations, to draft a report on LESSONS LEARNED from the flash flooding event of June 30th, 2018. It is proposed this report should be finalized and reported to the Council at a workshop by September 30th, 2018.

Thanks.

Chris
